ACCOUNTING
API to come up with suggested standardization of accounting procedure for oil marketing, 12/29, p. 5
API group to draft research plan on oil industry accounting practice, 11/17, p. 56, Sturtevant
Oil industry would welcome change in accounting practices, 12/22, p. 5

ADDITIVES
Boehm, Bruce discusses improving lube oil with use of additives, at API meeting; charts, 11/17, p. 21
DuPont to boost price of antiknock mixture, 8/25, p. 16
Ethyl boosts prices of antiknock mix effective Oct. 16, 8/11, p. 12
First public test for cars begins this week in Columbus, Ohio, 9/15, p. 49
Manufacturers criticize discussion of viscosity improvers and effect on oil use at SAE meeting, 11/10, p. 21
Press gets preview of fuel injection system, 9/8, p. 20
Public introduced to fuel injection for cars; stations to sell liquid, and Vitameter, 9/8, p. 20

ADVERTISING
Advertise via pictures in newspapers instead of words, says Parker of N. Carolina Oil Jobbers Assn., 8/4, p. 21
Assn.-sponsored LP-Gas ad programs start in Sept., 8/4, p. 44
Decal plan received in lukewarm manner by Midwest jobbers, 9/1, p. 9
Esso adopts safety slogan for posters in 18 states with no other advertising except Esso oval, 8/4, p. 21
Louisiana LP-Gas marketers use ads to boost consumer storage, 9/8, p. 42
More emphasis should be given the qualities of medium and lower priced brands of motor oils, 9/29, p. 5
Nebraska Pet. Marketers sponsors ad setup aimed at telling jobbers' story, 8/18, p. 7
OIIC's jobber ad to go in 4 national magazines, 7/21, p. 14
Pure Oil suggesting to station operators "Ladies Day"; stressing merchandising and clean-up, 8/4, p. 7
Shell Oil makes available 30-minute full colored film, "Birth of an Oil Field", 8/4, p. 21
Shell Oil promotes new oil Shell X-100, 10/6, p. 18

AETNA OIL COMPANY
Acquires entire holding of marketing department of Sinclair, 10/13, p. 20
Expands Tires, Batteries and Accessories program; new distribution chain being set up, 10/13, p. 40
Gets state distributorship for tires and launches program for entire TBA line, 7/7, p. 34

AIRCRAFT
Oil company makes safe hydraulic fluid, 11/10, p. 15

AIRPORTS
Hydrant system for plane fueling is shown, 11/10, p. 60
Super service for private aircraft—Gulf plans service at Allegheny Co. airport, 9/22, p. 34

ALABAMA
Oil jobbers invite state mgrs. of supplying oil companies to meeting July 22-considering state association, 7/14, p. 9

ALABAMA PETROLEUM ASSN.
Burchfield, H.F. elected pres.; list of officers, 8/25, p. 14
Burchfield, Herman, head of group, 10/6, p. 14, frontispiece
Gwaltney, J. Parks, will address group Aug. 19, 7/28, p. 17
Joins National Oil Jobbers Council, 11/24, p.11
Steadman, W.A., new exec. sec., 9/29, p. 42

ALLIED OIL COMPANY
Ashland stockholder urged to vote favorably July 30 on Allied merger, 7/14, p. 21
Blazer, Rexford S., new pres., 9/22, p. 10, frontispiece
Heads of companies named in Ashland-Allied merger, 8/4, p. 13
Is taking over 450 consumer fuel oil accounts formerly served by Cities Service, 7/28, p. 14

AMERICAN CHEMICAL SOCIETY
Future of high octane fuels among topics at annual fall meeting, 9/1, p. 53
Problems of making high octane fuel, engine efficiency discussed at St. Louis meeting, 9/15, p. 53

AMERICAN INDEPENDENT OIL COMPANY
Davies, Ralph K., pres., cites benefits of deal for Middle East Oil, 7/14, p. 17
Hopes to be drilling well in Oct. in Kuwait neutral zone, 8/18, p. 13
Looking at 3 or 4 other prospects around the globe besides its concession in Kuwait Neutral Zone, 7/28, p. 5
Negotiates with major in effort to acquire Aramco holdings in Kuwait, 10/27, p. 16
Recruiting geological crew for work in Kuwait zone by end of Oct., 9/15, p. 5
Signs Kuwait Oil Pact, 7/7, p. 15
Successful cracking of solid front previously presented by the majors in Middle East is important, 7/14, p. 11

AMERICAN INSTITUTE OF MINING & METALLURGICAL ENGINEERS
Award Charles F. Rand medal for 1949 to late Harry Wiess, pres. of Humble Oil & Refining Co., 10/13, p. 17

AMERICAN LEGION MAGAZINE
Survey indicates 47.7% of Legionnaire car owners plan to make TBA purchases soon, 12/8, p. 30

AMERICAN OIL COMPANY
Sponsored tractor maintenance program among country farm youth, 4-H, 12/1, p. 9

AMERICAN PETROLEUM CREDIT ASSN.
Rogers, W.W., pres., 12/8, p. 10, frontispiece
Rogers, W.W., pres., list of officers, 11/24, p. 17
Stress need for aiding jobbers as TBA programs expand, 11/24, p. 17

AMERICAN PETROLEUM INSTITUTE
Anderson of Socony-Vacuum gives paper on for-hire carrier and his place in field of petrol. hauling, 11/10, p. 57
Boyd, pres., says in annual address he is due to step out of office, 11/10, p. 5
Boyd's outline of API's service to oil industry points way to broader program in the future, 11/17, p. 19, editorial
Dunlop, Robert, gives relationship of prices, profits, petroleum production at meeting, 11/17, p. 40
Findings of oil training film survey now available, 12/8, p. 38
Hargrove, pres. Texas Eastern Transmission Corp. tells API meeting to de-emphasize heating oil sales, 11/10, p. 39
Hess, A.E., of Oil Heat Institute, lashes back at Hargrove's proposal to switch home heating, 11/17, p. 17
Issues tentative code on tank car calibration, 11/17, p. 38
Long-Range supply report sees enough oil for U.S.; McCollum warns effect of government control; summaries of other addresses, 11/17, p. 13
Master plan for handling of military oil supplies approved, 11/10, p. 11
Meeting coverage, 11/10, Cover
NPN will have direct wire to meeting, 11/3, p. 17
Oil men register to set new meeting record; Kettering receives award, pix, 11/17, Cover
Program outlined to Board where millions in U.S. to hear about oil progress Oct. 14 under OIIC plan, 8/4, p. 17
Report shows temperature dip should cut fuel oil stocks, 12/29, p. 16
Smith, Chester F., vice pres. Refining Division, 11/17, p. 13
Speakers, committees set for biggest meeting, good outlook for public relations, 11/3, p. 17
Three new vice presidents to be named, Kettering picked for achievement medal, 10/27, p.16
To come up with suggested standardization of accounting procedure for oil marketing, 12/29, p. 5
To push farm safety, stressing safe use of oil, 9/15, p. 24
To sponsor 3 farm research projects, distribute book, 11/17, p. 57
28th annual meeting at Chicago; highlights of program listed, 10/6, p. 20
War restricted analyses papers published by API, 12/8, p. 43
Wells says state laws should govern oil marketing safety, 10/27, p. 18
Wheelock, vice pres. of Production division, 11/17, p. 13

LUBRICATING DIVISION
Automatic drive servicing by service stations is studied; list of lube committee officers, 11/17, p. 27, Bland

AMERICAN PETROLEUM INSTITUTE - Cont'd

LUBRICATING DIVISION - Cont'd
Boehm, Bruce, discusses methods of improving lubricating oil with use of additives; API paper, charts, 11/17, p. 21
Conclusions of automatic drive servicing, 11/5, p. 5

MARKETING DIVISION
Majewski of Deep Rock, vice pres., 11/17, p. 13
Majewski drops appointment of subcommittees to Committee on Development of Serv. Program for Marketers, 9/22, p. 5
Majewski to name regional subcommittee for Dev. of Service Program for Marketers and will appoint chairman, 7/14, p. 9
Marketing program at API meeting may offer jobbers real "meat", 10/13, p. 24
Oil supply position much improved, Boatwright says at meeting, 11/10, p. 14
Speaker's list completed for API convention, 10/20, p. 16

PUBLIC RELATIONS DIVISION
Budget set for 1949 public relations, recommends dept. of information, 11/10, p. 11
Dougherty hailed at convention as one of oil men who did most to promote Oil Progress Day, 11/17, p. 9
Miller, Harold Blaine, retired admiral, appointed director of API Department of Information, 7/14, p. 14
Taylor, Reese H., pres. of Union Oil of Cal. resigns as director, 7/14, p. 13

RESEARCH DIVISION
Group to draft research plan on oil industry accounting practice, 11/17, p. 56, Sturtevant
Wilson, Dr. Robert, heads API research, 10/13, p. 63

SAFETY DIVISION
Accident prevention award goes to Shell Oil Co., 10/27, p. 9
Air Movers v. Steaming is discussed in gas-freeing of various type tanks, R.W. Black, API paper, 11/17, p. 28
Medical group reports on toxicology of chemicals, 9/22, p. 32
Place of public relations in oil safety stressed during fire protection session, 11/17, p. 57
Sinclair, J.W., gives paper on "Avoiding contamination in oil products" at meeting, 11/10, p. 52

STATISTICS
Crude output sets all-time record, exceeds World War II peak by 11.3%, 8/18, p. 13
Distillate stocks far ahead of 1947; crude runs to stills show small gain, 9/8, p. 18
Heating oil stocks high; crude output record set; tables, 8/25, p. 11
Output & refinery operations dip sharply, 9/29, p. 15

AMERICAN PETROLEUM INSTITUTE - Cont'd

STATISTICS - Cont'd
Refinery yields shift; fuel oil stocks build up; gasoline output down, etc., 8/11, p. 13
Reports refinery operations drop during week; industry steps up efforts on long-range supply, 7/28, p. 13
Taxes on gasoline have increased, reports show, 10/13, p. 26

AMERICAN SOCIETY FOR TESTING MATERIALS
Revised fuel oil specification approved, 9/8, p. 22
Standards on oil products edition ready, 12/15, p. 40

AMERICAN TRUCKING ASSN.
Top safety honors awarded to Coastal Tank Lines, 11/3, p. 58

ANDERSON-PRICHARD OIL CORP.
Buys Prichard Oil Co. & enters retail oil marketing, 8/4, p. 17
Rodman, Roland V., says base point pricing on oil ruinous, 12/8, p. 11

ANGLO-IRANIAN OIL CO.
Comparison of crude oil output, 12/15, p. 43
Fraser, Sir William, sees shift of world petroleum export center to Middle East, 7/14, p. 20
Seizure by Israel government confirmed, 8/4, p. 43

ANNUAL FINANCIAL REPORTS - See FINANCIAL REPORTS

ANTIFREEZE
Ashland Oil & Refining Co. markets methanol type "S" antifreeze, 12/1, p. 16
Better Business Bureau warns of salt base antifreeze, 11/3, p. 18
Bureau of Standards issues new booklet, 11/24, p. 16
Demand increase of 6% predicted, 9/22, p. 16
Licensing of antifreeze sought in Pennsylvania, 12/1, p. 45
Minnesota oil men declare war on phony mixtures, 9/22, p. 7
Probable that National Bureau of Standards will say no to petroleum type bases, 10/13, p. 9
Strike among soft coal miners lessens chance of overcoming shortage of type "S" antifreeze, 7/14, p. 9
Survey shows % of oil jobbers now handling antifreeze, tires, 6 charts, 12/8, p. 25
Survey shows % of outlets stocking each brand, 12/22, p. 42
Texaco "Permanent Type" will not be sufficient to meet need until about 1952, 10/6, p. 18
Wisconsin Petroleum Assn. sponsors bill to drive fraudulent antifreeze from market, 12/8, p. 9

ANTITRUST
"Antitrust Laws et al v. Unit Operation of Oil or Gas Pools" by Robert Hardwicke, 12/1, p. 59
California Standard's appeal in exclusive dealing case goes to Supreme Court, 9/22, p. 15

ANTITRUST - Cont'd
California Std. exclusive dealing case goes to Supreme Court, 10/20, p. 15
California Std. exclusive dealing suit appeal to Supreme Court under preparation, 9/1, p.9
California Std. has until August 30 to appeal exclusive dealing suit, 7/14, p. 13
Crystal ball is as good as study of past decisions to predict final ruling in exclusive dealing case, 7/7, p. 19, Edit.
Daniel, Atty. Gen., files antitrust suit against Warren Petroleum Corp. in Texas, 7/14, p. 42
Divorcement, exclusive dealing rate attention of congressional investigating committees, 11/17, p. 14
Equipment buying by oil suppliers hit in first Ploeser field hearing, 9/8, p. 17
Exclusive dealing and industrial bigness receive setback in court, FTC rulings, 11/10, p. 17
Exclusive dealing probe hearings set by House, 8/11, p. 12
Federal Trade Commission renews spark plug complaint against General Motors & AC Spark Plug Company, 12/1, p. 17
LP-Gas antitrust inquiry extends to Associations, 8/4, p. 44
National City Lines suit, involving Phillips Petroleum and California Std. goes to Chicago for trial, 10/20, p. 26
Ploeser group hears complaints in two cities on exclusive dealing, inability to get steel, 10/13, p. 18
Ploeser plans windup in monopoly probe, 10/20, p. 16
Retail Gasoline Dealers Assn. of Milwaukee denies assn. fixed prices, at Circuit Court, 12/1, p. 12
Segment of Ploeser Committee would like to probe complaint small producers & refiners victims of antitrust violations, 9/8,p.9
Text of DJ antitrust clearance on supply plan, 8/18, p. 42
Truman fits antitrust actions into campaign for White House, 9/22, p. 7
Two E. Coast exclusive dealing cases in Justice Dept.'s works may be filed before year is out, 12/1, p. 5
U.S. Grand Jury on Coast recalled for Sept. 24, 9/8, p. 17
U.S. oil price investigation is resumed in L.A., 9/29, p. 13
Warren Petroleum fined in Texas antitrust case, 10/13, p. 66

ARABIAN AMERICAN OIL CO.
Jersey Std. and Socony-Vacuum will acquire stock interest as result of red line settlement, 11/24, p. 18
Jones, Jesse, testimony sheds little light in Moffett suit against Arabian Oil, 12/1, p. 16
Leases N.Y. building, 12/29, p. 13
Pulls out of Kuwait neutral zone, 10/27,p.16
203 U.S. newspapers carried ads calling attention to Arabian's weekly newscast, 7/21, p. 16

ARKANSAS
Sinclair drops marketing operations in entire state, 9/8, p. 19

ARKANSAS INDEPENDENT OIL MARKETERS ASSN.
Divorcement of marketing favored by Arkansas Independent Marketers, 12/15, p. 20
Green, president, says oil industry has right to TBA profit, 12/15, p. 23
Green, R.H., pres., list of officers, 12/15, p. 20

ARMED SERVICES
As long as international situation critical, industry better fill military requirements or lose prestige, 8/4, p. 7
Congress and public won't accept any excuses if oil industry misses on military demands, 8/4, p. 19, Edit.
Congressional committees hampered by lack of information from armed services on requirements, 10/6, p. 9
Deficit in military oil supplies grows as demands for Avgas increase rapidly, 7/28, p.12
Demand "prompt 100%" coverage on all products; threaten to invoke draft act clause, 8/4, p. 15
Further centralization of oil in military poses problem, 11/17, p. 9
General Petroleum Corp. to sponsor reserve unit, 8/25, p. 20
Military puzzled over slackness of response to offer to buy or rent storage for emergency products reserve, 12/29, p. 5
Munitions Board will seek views on methods of armed services in getting supplies, 11/24, p. 15
Reserve commissions offered to specialists, 8/18, p. 14
World War II oil list of draft deferments adopted by selective service planners, 11/17, p. 50

ARMED SERVICES PETROLEUM BOARD
Boyd, Capt. John M., USN, succeeds Col. G. H. Vogel as executive officer, 7/28, p. 12
Industry is now filling military needs, says Foster at National Petroleum Council meeting, 10/27, p. 11
May be drawn within the Munitions Board, 8/25, p. 5

ARMED SERVICES PETROLEUM PURCHASING AGENCY
Cotulla, Col. Louis G., succeeds Drescher as head, 8/4, p. 15
Receives 53 bids from 0.25¢ to 3.5¢ per gal. under posted prices for Army contracts, 9/29, p. 42
Revised upward requirements in principal grades of Avgas, 11/24, p. 15
Sees industry coming through on oil, 8/11, p. 11
Severe military complications not expected this winter, 10/20, p. 15
Supply situation being double-checked by - , 8/18, p. 18
Will negotiate for storage for reserve of refined products, 11/10, p. 5

ARMY
Alaskan synthetics plant is considered by Army, 12/1, p. 24
Convoy to test new greases in desert, Alaska, 8/4, p. 14

ARMY - Cont'd
NPC committee for recommending war-oil organization will urge something like PAW-PIWC—propose strengthening hand of PAW, 7/14, p. 9

AIR FORCE
Extends program of reclaiming engine lube oil, 11/3, p. 23
Hydrant system for plane fueling is shown, used by Air Force, 11/10, p. 60

U. S. AFFILIATION PLAN
Ethyl backs minute man unit, 10/27, p. 15
Four more reserve units set up, list of companies, 12/15, p. 46
General Petroleum Corp. to sponsor Reserve unit, 8/25, p. 20
General, Shell, Skelly, Mid Cont., American, back new "minute men" units, 10/6, p. 16
Oil industry sponsoring more 'minute man' units; Socony, South Penn & Sun, 9/1, p. 19
Reserve commissions offered to specialists, 8/18, p. 14
Socony sets up 4 Army specialist units, 10/27, p. 15
Sun reactivates Army unit, plans to sponsor another, 9/8, p. 22
Two more reserve units activated at Sun Oil, 12/8, p. 20
Two more reserve units formed; Tide Water Oil, Gulf Oil Corp., 12/22, p. 20

ASHLAND OIL & REFINING CO.
Buys Ohio Oil Co. marketing facilities in Kentucky, 10/27, p. 17
Markets methanol type "S" antifreeze in 54 gal. drums, 12/1, p. 16
Name heads of companies in Ashland-Allied merger, 8/4, p. 13
No longer negotiating for 10,000 b/d of Middle East Crude from Anglo-Iranian, 10/6, p. 16
Order fleet of 9 tank barges, 10/6, p. 59
Starts work on new river terminal, 11/10, p. 16
Stockholder urged to vote favorably July 30 on Allied Oil merger, 7/14, p. 21

ASPHALT INSTITUTE
Angell, N.H., pres. and chairman of exec. committee, list of various officers, 12/8, p. 12

ATLANTIC REFINING CO.
Change gas and fuel oil prices to meet Esso and Skelly increases, 12/1, p. 11
Increased wages of 11,000 employes $6.40 a week effective June 28, 7/7, p. 42
Tells how it offers aid to jobbers on operating problems, 10/13, p. 34

AUTOMOBILE MANUFACTURERS ASSN.
Report motor vehicle output up, 11/10,p.51

AUTOMOBILES
Auto registration up 8.7%; comparative chart, 12/1, p. 18

AUTOMOBILES - Cont'd

Auto registrations, tourists break records in California, 12/15, p. 11
Company declares greater utilization of overdrive can provide considerably increased fuel economy on cars, 12/29, p. 5
Dealers slow up construction of new buildings with elaborate lube equipment, 11/10, p. 5
New insurance to be sold by service stations, garages, 11/24, p. 5
Registration totals, August new car titles gain, 11/3, p. 58

ENGINES

Buick latest to join higher compression ratios, 11/17, p. 5
Chrysler to join high compression engine parade, 12/15, p. 7
Consumer acceptance, fleet saving shown in antiknock injection progress report, charts, 12/29, p. 20, Ridder
Higher compression engines in 1949 seen as probability by Pigott, head of SAE, 9/22, p. 21
Kettering engine introduced by Kettering of General Motors Corp. (high compression engine), 10/6, p. 24

AVIATION GASOLINE

Armed Services demand 'prompt 100% coverage' on all products; threaten Draft Act clause, 8/4, p. 15
Berlin flight figures explain Avgas demand, 9/8, p. 11
Bureau of Mines releases results of semi-annual survey, 12/8, p. 43
Deficit in military oil supplies grows as demands for Avgas increase rapidly, 7/28,p.12
End of state Avgas tax urged, 8/11, p. 16
Jet fuel undergoes tests by Air Force at Wright Field, 11/24, p. 5
Jet specifications may be broadened to move into the yield range of naphthas and motor gasoline, 8/4, p. 5
New hydrant system for plane fueling is shown, 11/10, p. 60
Page urges oil make effort to meet military Avgas needs, 10/27, p. 20
Rebuilding Avgas stocks big problem on West Coast, 10/20, p. 9
Triptane used in Air Race at Cleveland, 9/8, p. 19
WAA offers Cotton Valley La. refinery plant, 10/6, p. 61
West Coast refiners believe can supply Avgas, and keep public in premium, 11/17, p. 11

BALL, MAX W.
Director of OGD, intends to wind up his duties with them after next week's meeting of NPC, 7/21, p. 5

BARBER CO., W. H.
Designs new storage plant to move oil quicker, more efficiently (drawings & pix), 9/1, p. 27

BARGES & BARGE TRANSPORTATION
Ashland Oil & Refining Co. orders 9 tank barges, 10/6, p. 59
Dept. of Commerce considering setting up Barge Construction Industry Advisory Committee, 7/14, p. 9
Inland Waterways Corp. drafting plan for rehabilitation of Federal Barge Lines, 8/11, p. 12
Midwest fuel buyers save under new barge contracts, 11/3, p. 58
Midwest Indpts. planning on using barges on Miss. R. to compete with pipelines, 9/29, p. 5

BASING POINT PRICE SYSTEM - (See also PRICES - Basing Point System; ROBINSON PATMAN ACT; FEDERAL TRADE COMMISSION; RAILROADS - Freight Rates.)
An analysis by FTC's economist may be calculated to counteract current comment, 9/22, p. 5
Boatwright named Senate Basing Point study advisor, 10/6, p. 16
Boosts freight charges, has little effect on oil equipment, 8/11, p. 15
Capehart group to hear oil jobber, refiner give views on basing point, 11/24, p. 13
Emery, pres. Nat. Small Businessmen's Assn., wants system legalized, 11/10, p. 17
Explanation of system, "Pittsburgh Plus", 11/3, p. 16
FTC explanation of pricing views shows need for action by Congress, 10/20, p. 20
FTC policy may force oil pricing shift, 10/20, p. 11
Federal Trade Commission willing to try conference method on working out problems, 12/1, p. 14
Indpts. say base point pricing on oil ruinous, 12/8, p. 11
Issue shown little interest by oil men, 8/18, p. 7
Oil will watch closely Nov. 9 query, 11/3, p. 15
Pricing decisions of court draw fire of FTC's Mason, 10/27, p. 17
Severe industry upheaval likely with base point pricing demise, 11/24, p. 7
Testimony indicates basing policy hikes oil equipment prices, 11/17, p. 18

BATTERIES - See TIRES, BATTERIES & ACCESSORIES

BETTER BUSINESS BUREAU
Warns of salt base antifreezes sold under misleading labels, 11/3, p. 18

BLACK, R. W.
Discusses air movers v. steaming in gas-freeing of various type tanks, API papers, 11/17, p. 28

BLAZER, REXFORD S.
Allied Oil Co. pres., 9/22, frontispiece

BOEHM, BRUCE
Discusses methods of improving lubricating oil with use of additives, API paper, charts, 11/17, p. 21

BOOKS & BOOK REVIEWS - See PUBLICATIONS

BOYD, WILLIAM R., JR.
His outline of API's service to oil industry points way to broader program in future, 11/17, p. 19, Edit.

BRAECKEL, MARC F.
Richfield Oil Corp. pres., 9/29, frontis.

BREWSTER, OWEN (Senator)
Tells Indpt. jobbers of main they are keeping oil free, 9/1, p. 15

BROWN, BRUCE K.
Standard Oil Co. (Ind.) vice pres.; Pan American Petrol. Corp. pres., 10/13, p. 14, frontispiece

BROWN, RUSSELL B.
Replies to NPN's suggestion that indpts. unite in fight against bureaucracy, 12/22, p. 16

BUILDING - See CONSTRUCTION & EXPANSION

BULK PLANTS
Almost half of jobbers pushing storage expansion to minimize winter hardships, 8/4, p. 37
Bulk plants to be included in a wholesale census designed to give picture of oil distribution, 12/29, p. 32
Few gasoline jobbers by-pass bulk plants; NPN survey of 618 gasoline marketers, 8/11, p. 34
Fires damage bulk plants in Maine, So. Carolina, 7/28, p. 15
Maine marketers promote statewide safety drive, 11/24, p. 16
Prospects seen better for steel allocations for oil terminal tanks, 9/15, p.18
Shell Oil, Birmingham plant—machines cut delivery, operating costs 40%, 8/11, p. 31
Still custom built but certain variables bear close check, list of items to check in selecting site, 12/8, p. 15

TERMINALS
Allocation of steel for terminal tankage has chance of adoption if given support, 11/24, p. 15
Barber Co. designs new storage plant to move oil quicker, more efficiently, 9/1, p. 27
Barber Co. at St. Paul builds river terminal incorporating speed & efficiency facilities, 9/1, Cover
Coastal stresses speedy handling of peak traffic in transport truck terminal, 12/15, p. 35, Quayle

BULK PLANTS - Cont'd

TERMINALS - Cont'd
Efficiency and good housekeeping prevail at Great Lakes new delivery terminals, 12/8, p. 34, Castle
Mid-Hudson Co. cuts truck loading time by 50% by improving terminal facilities, 10/20, p. 34, Quayle
Oil terminal and bulk plant tank fabricators advisory committee, list, 11/24,p.15
Plan for terminal, bulk storage tank steel given remote chance of being approved, 10/13, p. 17
River terminal planned by Modern Heat & Fuel Co., 10/6, p. 59
Shell spends $6 million on W. Coast marketing, largest projects at terminals, 11/24, p. 28
Sinclair making terminal out of Coffeyville Plant, 11/24, p. 14
Sohio begins operations at new river terminal, 8/18, p. 18
Sohio commences building crude, products terminal at Cleveland, 11/3, p. 20
Two new style truck loading racks offer efficiency at Great Lakes terminal, 12/15, p. 34, Castle, first in a series of 3

BURCHFIELD, HERMAN
Elks Oil Co., owner; New Alabama jobber group pres., 10/6, frontispiece

BUREAU OF FEDERAL SUPPLY
Has offers of 58% of fuel oils & kerosine sought for Southeast region, 11/10, p. 16
Indiana Indpt. Pet. Assn. charges discrimination in purchase of post office 'gas', 9/1, p. 15
Says any gasoline marketer can get contracts upon request, 9/8, p. 24
Three majors and 3 minors to share in contracts for Chinese military, 12/1, p. 14

BUREAU OF MINES - See DEPT. OF INTERIOR - Bureau of Mines

BUREAU OF STANDARDS
Ready to cooperate with packaging standardization, 8/4, p. 30

BURNING OIL DISTRIBUTORS ASSN.
Demand for higher fuel oil margins expected to spread, 12/8, p. 7

BURNS, W. CHALMERS
Hartol Petroleum Corp. pres., 10/20, frontis.

BURT, ARTHUR W.
Says oil can meet 11% distillate fuel demand boost but kerosine could cause trouble, 12/15, p. 43

BUTANE-PROPANE
Convention hears 16 safety recommendations for bulk plants and 5 for LP-Gas industry, 9/29, p. 37
If Texas winter severe, butane users may be pinched for supply, 9/1, p. 5
LP-Gas men told to meet demand by utilizing production with more storage, 9/22, p. 54

BUTANE-PROPANE - Cont'd
1947 domestic sale of LP-Gas up 30% over 1946, chart of sales by uses and distribution, 9/29, p. 41
School needs increase British butane demand, 12/29, p. 31

BUTANE-PROPANE ASSN.
Locke, John L., new pres., Robinson retiring, 11/10, frontispiece

C & B PETROLEUM, INC.
Oldest self-serve station in Seattle, 8/18, p. 32

CALCULATOR (Temperature Correction)
Corrects gallonage to net gallons at 60 degrees, 7/21, p. 49

CALIFORNIA
Anti-featherbedding proposal (limitation of railroad brakemen) wins support of oil men, 10/27, p. 9
Auto registrations, tourists break records in California, 12/15, p. 11
Field production figures reach seasonal peak, 11/3, p. 13
Long established law "law of capture" re quantity of oil from well may be modified, 8/18, p. 5
Los Angeles smog blamed on oil refineries, 9/22, p. 69
Los Angeles trying to muster aid in procuring War Department ammonia plant to rid smog, 10/6, p. 13
NPC declares extension of tieup strike can upset supply balance of nation, 9/15, p. 11
Question of refinery capacity since recent oil discoveries, 11/24, p. 5
Self service stations still thrive, feature cut prices; general summary, 11/3, p. 26
Strike cuts West Coast product output by 65%, 6 of 7 major oil companies affected, 9/8, p. 15
Tidelands boundary definition parley set, 9/15, p. 21
West Coast major oil company spokesmen see no crude hike, 12/1, p. 9
West Coast refiners run at 67% despite strike, 9/22, p. 11

CALIFORNIA COMPANY
To erect New Orleans office building, 12/8, p. 46

CALIFORNIA-TEXAS COMPANY
Seeks arrangement for refinery in Spain, 9/22, p. 16

CAMPBELL, GILBERT S.
Virginia Petroleum Jobbers Assn. pres., 9/15, frontispiece

CANADA
Comments on Leduc development, 11/10, p. 7
OWIU convention votes approval of program to extend union organization into Canada, 8/18, p. 17

CARTHAGE HYDROCOL CO.
Speeding work on synthetic natural gasoline plant at Brownsville, 8/25, p. 16

CENSUS BUREAU
Farm states regain population losses registered during 1940-47; chart of population and auto registration, 10/20, p. 28
1948 business census designed to give picture of oil distribution at wholesale, retail levels, 12/29, p. 32
Oil burner shipments increase 12% in September, 12/8, p. 44

CENTRAL OIL SERVICE, INC.
Indpt. puts sales emphasis on TEA & home appliances to boost profits, 9/1, p. 35

CENTRAL WEST OIL CORP.
Incentive pay plan cuts down labor turnover at stations, 10/27, p. 24

CHASE NATIONAL BANK
Makes study of comparison of net worth of leading oil companies, 11/24, p. 12

CHEMICALS
API medical group reports on toxicology of chemicals, 9/22, p. 32
New chemical company organized by Phillips Petroleum Company, 7/21, p. 14

CHICAGO OIL BURNER ASSN.
Annual meeting and election of officers, 12/1, p. 17

CHICAGO TRIBUNE
Jersey, Indiana Std. refute Chicago Tribune Editorial charges, 12/29, p. 15

CHRYSLER
Joins high compression engine parade, 12/15, p. 7

CLARK, ATTORNEY GENERAL
Oil Voluntary Agreement awaits anti-trust clearance by Clark, 7/14, p. 19

CIT-CON OIL CORP.
Installing world's largest solvent lube units; plant goes on stream in 1949, 9/22, p. 32
List of officers, 9/22, p. 32

CITIES SERVICE OIL CO.
NBC program has been extended for another 3 months, 10/27, p. 17
Purchased the retail petroleum distribution business of Dornoil Products in Newark, N.J., 10/6, p. 59

CLARK, TOM
Picks loophole for squeeze play on Tidelands, 12/29, p. 7

COASTAL OIL COMPANY
Stresses speedy handling of peak traffic in transport truck terminal, 12/15, p.35, Quayle

COASTAL TANK LINES
Win top American Trucking Assn. safety honors, 11/3, p. 58

COASTAL TERMINALS, INC.
Heinz, W. L., gives statement before Flanders subcommittee on monopolistic threat, 12/15, p. 13

COLON DEVELOPMENT COMPANY
Shell reports crude output, 12/15, p. 43

COMPETITION - See MARKETING - Competition

CONSERVATION
Education through 4-H clubs helps ease farm fuel problem, 7/14, p. 11

CONSTRUCTION & EXPANSION
Ashland Oil & Refining starts work on new river terminal, 11/10, p. 16
Barber Co. designs new storage plant to move oil quicker, more efficiently (pix, etc.), 9/1, p. 27
Bottle gas plant to be first unit in new Esso terminal at Wilmington, 7/14, p. 42
Building of Alaskan synthetics plant is considered by Army, 12/1, p. 24
Bulk plants still custom-built but certain variables bear close check, list of items to check in selecting site, 12/8, p. 15
California Co. to erect N. Orleans office building, 12/8, p. 46
California Research Corp. (Std. of California) opens new research lab at LaHabra, R.F. Faull, manager, 12/8, p. 9
Commerce Oil Corp. opens office in New York City, 10/20, p. 16
Continental Oil construction and expansion to increase processing capacity at Ponca City refinery, 8/25, p. 16
Ethyl begins new tetraethyl lead plant at Baton Rouge, 11/10, p. 15
General Petroleum completes new vacuum distillation tower in L.A. Basin, 11/17, p.11
General Petroleum Corp. constructs new pressure maintenance plant in Wyoming, 11/3,p.13
Government's $10 coal hydrogenation plant at Louisiana, Mo. operating early next year, 9/1, p. 18
Great Lakes Pipe Line Co. capacity increased 50% by expansion; series of articles by Castle, 11/3, p. 42; 12/8, p. 34; 12/15, p. 34
Gulf Oil Corp. plans $40 million expansion for handling of Middle East oil imports, 12/8, p. 12
Humble Oil & Refining Co. plans new gasoline plant, 10/27, p. 37
McCarthy, Glenn, buys Detroit Tube & Steel Co., will be known as McCarthy International Tube Corp., 12/8, p. 20
McColl Frontenac Oil Co. installs new grease & lube oil facilities in Canada, 12/8, p. 14
Mid-Hudson office building erected mostly by Mid-Hudson employes, pix, 10/20, p. 38
Monsanto opens lube oil, engine testing lab., 7/14, p. 44
New London Terminal Corp. to complete new 754,000 bbl. capacity public storage terminal in Conn., 12/8, p. 12
New natural gasoline plant built in Slaughter pool, Hockley County, Texas will process 150,000 gal. of LP-Gas, 7/28, p. 15
Panhandle Producing and Refining Co. to install catalytic cracking unit at Texas plant, 12/8, p. 12
Pure Oil Co. to build new lab in suburb of Chicago, 7/21, p. 12
Service station appearance varies widely, but study of basic designs produces typical outlet, 7/28, p. 37
Shell announces expansion in Pacific N.W.; Cal. Std. buys Calif. Refining Co., 10/6, p. 13

CONSTRUCTION & EXPANSION - Cont'd
Shell glycerine plant opens; Phillips plans new chemical unit; Socony expands bulk plant, 9/29, p. 18
Shell spends $6 million on West Coast marketing, 11/24, p. 28
Sinclair making terminal out of Coffeyville plant, 11/24, p. 14
Sinclair Refining opens new research laboratories at Harvey, Ill., 10/27, p. 37
Sohio begins operations at new river terminal, 8/18, p. 18
Sohio commences building crude, products terminal at Cleveland, 11/3, p. 20
Standard Oil Co. (Ind.) sets up chemical subsidiary—Indoil Chemical Co., list of officers, 10/13, p. 17
Standard Oil Co. (Ohio) to build new refinery at Lima, Ohio, 11/3, p. 24
Suburban Propane Corp. buys co-ops LP-Gas interest, 10/27, p. 16
Sun Oil plans to build 9 natural gas. plants, 7/14, p. 16
Sun signs contract for $16 million refinery project at Toledo, 9/15, p. 20
Texas Company again expands its research facilities, 7/21, p. 12
Texas Co. plans refinery office building at Eagle Point, N.J., 9/22, p. 21
Tide Water Assn. refinery being expanded with new cat cracking unit, 12/8, p. 12
Warren Petroleum building 4 large LP-Gas terminals, 8/11, p. 36

CONSUMERS COMPANY
Budget method for heating oil accounts speeds bill payments, builds good will; chart, 12/15, p. 38, Sturtevant
Efficient fuel oil order handling for more business, 12/22, Cover
Efficient order handling and truck dispatching moves greater volume; charts, 12/22, p. 21, Sturtevant

CONSUMERS CO-OPERATIVE ASSN.
Annual report of the Consumers Co-Op Assn. gives rate at which petroleum co-ops are expanding, 12/22, p. 9
Buys Carter Oil refinery, 12/29, p. 14

CONSUMERS POWER CO.
Booklet sales talk backfires when fed LPG facts, 12/29, p. 7

CONTAINERS
Container list by volume, 8/4, p. 34
Most oil companies believe uniformity in containers would cut handling costs, 8/4, p. 30
Oil companies study use of pallets to speed up handling of merchandise, 8/4, p. 36
Oil package costs may rise, 9/8, p. 34

CONTINENTAL OIL CO.
Boosts Ponca City refining capacity; construction and expansion program, 8/25, p. 16
Denver refinery doubles capacity, 12/1,p.14
Kennedy (vice pres. in chg. of marketing) cited 4 factors which may affect midwest supplies, 10/6, p. 59

CONTINENTAL OIL CO. - Cont'd
Makes wildcat discovery, known as Warren unit, 12/15, p. 43
McCollum tells National Oil Jobbers Council his company won't subsidize its marketing branch, 11/17, p. 15

CO-OPERATIVES
Allocation-free heating oil offered to Co-Ops, 7/28, p. 13
Annual report of the Consumers Co-op Assn. gives rate at which petroleum co-ops are expanding, 12/22, p. 9
Ask free access to Czech oil, 10/6, p. 16
Consumers Co-operative Assn. national oil conference held Aug. 17, Kansas City, 8/11, p. 55
Cowden, pres. Consumers Co-Operative Assn., tells indpts. to buy refinery, 11/3, p. 18
Find private competition tough despite tax advantages; 2 national organizations retrench, 10/13, p. 25
Indpt. may gain by working with the co-ops, Gordon Duke asserts, 12/15, p. 42
Leaders say little chance for any anti-co-op legislation by 81st Congress, 12/8, p. 5
Leaders seek to meet Duke to discuss indpts. working with farm co-ops instead of opposing them, 12/22, p. 5
Nat. Co-operative Ref. Assn. buys oil stock, 8/18, p. 56
Oil co-ops expanded in 1947, earnings off, 12/8, p. 18
Reports on co-op study available by Pet. Research Foundation, Inc., 8/18, p. 44
Taxing of co-ops on basis with private enterprise will be introduced by 81st Congress, 11/3, p. 13
3 co-ops get interest in Premier Refining Co., 8/4, p. 17
To battle quit-claiming of Tidelands, 8/25, p. 14

COVERS
New shopping center station emphasizes salesmanship, service, 7/7
Platt reports from England—British oil industry survives its most critical period. American Indpt.'s Mid. East concession in neutral zone (map), 7/14
Architects' sketches of research buildings planned by Pure Oil Co. and Texas Co., 7/28
Platt reports from London; refineries produce 189 million barrels of distillate in 6 months, 8/4
Refining centers grow as Britain expands petroleum industry, 8/11
Maine pipe line promises more flexible marketing operation, 8/18
TBA and appliance sales pushed at Ohio Oil service station, Columbus, 8/25
Barber Co., W.H., builds river terminal at St. Paul incorporating new ideas, 9/1
Oil industry invests $20,000 for every job it provides; Std. of Cal. chart, 9/8
State and local highways grow busier in 1948, 9/15
Super service station for private planes which Gulf plans to construct at Pittsburgh, 9/22

COVERS - Cont'd
First quarter demand in 1949 to be 65% over 1941 (chart), 9/29
Humble angular design of salesroom increases visibility, 10/6
Weather assumes increasing importance in fuel oil demand forecasts; oil and gas tied with coal as No. 1 source, 10/13
Mid-Hudson Oil Co. improved terminal facilities-cut truck loading time 50%, 10/20
Flexibility is feature of 5 day driver training program, 10/27
Up to the minute report on self-serve stations tells how products pipe line was expanded 50%, 11/3
What determines a gasoline price? API meeting and jobber council coverage, 11/10
Oil men register to set new API meeting record, pix, 11/17
Vast new oil industry grows out of Middle East sand (Kuwait); pix, 11/24
Increasing number of motorists buy tires at service stations; chart, 12/1
New Texaco station at old site brings large gallonage boost, pix, 12/8
Speed and efficiency stressed in new truck loading racks, pix, at Great Lakes Pipe Line terminal, 12/15
Efficient fuel oil order handling for more business at Consumers Co., 12/22
LP gas market continues to rise up 29.5% in 1948, Phillips Petroleum, chart, 12/29

President Parkersburg Rig & Reel Co., 12/15, frontispiece

CREDIT
Credit men stress need for aiding jobbers as TBA programs expand, aviation credit seen improving, 11/24, p. 17
Fuel oil distributors tighten credit policies, NPN survey shows, 12/1, p. 42
'How to turn down a credit card application without alienating a customer'?, 9/1, p. 5
Indiscriminate issuance of credit cards is costly practice and should end, 11/3, p. 21, Edit.
Jobbers in Corn Belt should determine amount of charge accounts they can carry with safety, 7/14, p. 9
Jobbers in Minn. town henceforth operating on COD basis only, 7/21, p. 5
Jobber spokesmen warn now is time to unload high priced merchandise, 10/13, p. 9
New credit rules exempt burners and TBA items, 8/25, p. 16
Oil credit men in rural areas requested to get better credit information on farm accounts, 12/1, p. 5
Some credit policies may have to be overhauled in regards to fuel oil for heating, 12/1, p. 5
Some Midwest oil companies begin to tighten up on farm credit, 12/29, p. 5
South Dakota jobbers urge reasonable credit policy, 10/20, p. 17
Too much long-term credit on oil ties up excessive working capital, 9/1, p. 38

CROSSER, ROBERT
Set to take key role on oil, 12/29, p. 11

CRUDE OIL
Avoiding contamination in oil products, paper by J.W. Sinclair at API meeting, 11/10, p. 52
Bureau of Mines issues master list of publications on crude test reports, 7/14, p.53
Oil should start now to build strong defense against political encroachment in next 4 years, 11/10, p. 23, Edit.

CONSERVATION
Ginger Ale Analogy helps explain oil conservation, 7/28, p. 14
More action on oil stockpiling may be near as interest rises, 10/27, p. 7
Parts of OIIC revised model oil & gas conservation will be presented to legal committee for approval at N.Y., 7/21,p.5
Thompson, E.O., tells how state conservation under Compact serves industry, nation, 9/15, p. 42

EXPORT-IMPORT
French paying over and above prices ECA says they can pay to get petroleum products, 7/21, p. 5
Shifting of world petroleum export center to Middle East seen by Anglo-Iranian head, 7/14, p. 20
U.S. still net importer despite export increase, 7/21, p. 12

PRICES
Adams' statement explains Phillips' stand on crude price boost, 9/29, p. 11
Chances of general increase in prices getting dimmer and dimmer, 7/21, p. 5
Clarification of oil price policy considered by Economic Co-Operation Admn., 8/11,p.12
Crude price increase failed to materialize. Concensus is "Heat's Off" for gen. increase in prices, 7/7, p. 9
Failure of crude price increase to stick proves law of supply-demand works, 12/22, p. 19, Edit.
Holman answers O'Mahoney on world oil price charges, denies world wide system sets rates, 7/7, p. 17
Indpt. producers hope others will follow Phillips crude boost, 10/6, p. 60
Leaders of National Oil Jobbers Council to fight for federal control of oil prices, 11/17, p. 5
Oil security planners see advantage in recent 35¢ crude price increase, 10/6,p.11
Phillips ups crude 35¢ - other majors balk, 9/29, p. 11
Price boost unlikely, 9/8, p. 9
Status of postings continues unchanged; No. 2 cargoes bring 9¢ at Gulf, 11/3, p. 47
Tension declines over crude postings, 11/10, p. 63
West Coast major oil company spokesmen see no crude hike, 12/1, p. 9
Zanesville district Penn. Grade crude cuts 54¢ per bbl., 11/17, p. 18

CRUDE OIL - Cont'd

PRODUCTION
API statistics show output and operations dip sharply, 9/29, p. 15
Declines in refinery crude runs reported by API, 12/15, p. 43
Lenzen of Std. of Cal. reports U.S. looks to Middle East for relief of oil production, 11/10, p. 9
Nationwide production rises 32,150 b/d during week ending Nov. 20, 12/1, p. 14
Output record set; table of petroleum stocks for 1947-48, 8/25, p. 11
Output sets new record with 5,595,950 b/d, 11/3, p. 24
Output sets all-time record, exceeds World War II peak by 11.3%, 8/18, p. 13
Proposal to cut oil output for War Reserve condemned, 10/6, p. 60
Question of how far U.S. can go in financing British production without impairing companies operating in Middle East, 11/24, p. 5
Relationship of prices, profits petroleum production given by Robert Dunlop in API paper, 11/17, p. 40
Report output of 25,100 b/d for week ended Dec. 18, 12/29, p. 16
Royal Dutch/Shell group companies set new all-time high mark for crude production, 7/14, p. 20
Senate Committee is satisfied with Connally Hot Oil Act as means of getting more production, 11/24, p. 5
Steady increase in Middle East, 11/3, p. 9
Wilson, Robert E., Dr., says oil, chemicals lead in industry growth, 11/17, p. 38
World War II oil list of draft deferments is adopted by selective service planners, 11/17, p. 50

RUNS TO STILLS
API reports increase of 45,000 b/d during week ending Nov. 27, other statistics, 12/8, p. 12
How oil industry supports statement on crude runs re West Coast "big 7" during strike, 9/22, p. 12
Show 112,000 b/d gain, 11/24, p. 15

SUPPLY-DEMAND
Compact committee sees 1949 demand for oil 6% higher than last year, 12/15, p. 16
Comparison table of Compact, IPAA supply-demand forecasts, 12/15, p. 16
Crude oil output sets new mark 7th week in succession, gasoline production gains, 7/6, p. 20
Demand falls below Bureau of Mines estimates, residual consumption off 5%, 11/10, p. 16
Egloff, Dr. estimates U.S. has 100 years supply of crude, 10/6, p. 61
Industry steps up efforts on long-range oil supply; API statistics, 7/28,p.13
Interstate Oil Compact Commission issues crude stock study, 7/21, p. 14

SUPPLY-DEMAND - Cont'd
Long-range supply report of API sees enough oil for U.S., McCollum warns of govt. control; summary of other talks, 11/17, p. 13
National Petroleum Council district groups report winter supply outlook good, 10/27, p. 11
Official Washington over notion that U.S. running out of oil, 9/29, p. 5
Oil's supply position improved, Boatwright tells API meeting, 11/10, p. 14
Production falls off 300 b/d after new high; highlights of supply-demand, 11/24, p. 15

CUMBERLAND OIL CO.
Daily reports keep jobber posted on profit and loss; seeks only profitable station leases, 9/22, p. 27

DANCIGER OIL & REFINING CO.
Closed refinery at Longview, Texas, sold to Tulsa trio, 9/15, p. 46

DAVIES, RALPH K.
Cites benefits of American Indpt. Oil Co.'s deal for Middle East oil, 7/14, p. 17

DECALS
Decal plan received in lukewarm manner by Midwest jobbers, 9/1, p. 9

DEEP ROCK OIL CORP.
Grants wage increase to production, pipeline and refinery employes effective Aug. 1, 8/18, p. 17
Majewski, vice pres., sees danger for jobbers in FTC, Supreme Court decisions, 10/13, p. 19
No longer negotiating for 10,000 b/d of Middle East crude from Anglo-Iranian, 10/6, p. 16
Proposes to OWIU that three contracts replace "master" pact, 7/7, p. 42

DEGREE DAY
Introduction of a continuous degree day computing thermometer, 10/13, p. 9
Survey shows September much warmer than in 1947, 10/13, p. 21, summary
Economist charts plan to study effects of weather on oil demand as key to supply-demand balance, 10/13, p. 51
Heating season so far 19% colder than year ago, 10/20, p. 16, summary
October piles up more than normal, 10/27, p. 16, summary
Current degree day totals above those in 1947 period, 11/3, p. 18, summary
Eleven northern cities report degree days below normal, 11/10, p. 18, summary
1948 degree days to date about even with 1947, 11/24, p. 16, summary
November degree day total below 1947 period, 12/1, p. 17, summary
Weather continues warmer than normal this season, 12/8, p. 47, summary
Warmer than normal weather continues, 12/15, p. 17, summary
Weather still warmer than normal this season, 12/22, p. 12, summary
Cold weather last week boosts degree day totals, 12/29, p. 14, summary

DEPARTMENT OF COMMERCE
Considering new legislation to remodel Taft Anti-Inflation Act, 9/29, p. 5
Dept. considering setting up Barge Construction Industry Advisory Committee, 7/14,p.9
81-tanker steel allocations program seen set, with only signatures of Clark, Sawyer needed, 9/1, p. 12
Estimates per capita use of oil up 60% over prewar, 7/28, p. 43
Sawyer, Sec., asks continuation of curbs on oil exports; meeting on steel set, 12/15, p. 19
Shows June oil jobber sales up 11%, 8/11,p.12
Studies question of charging a country's import quota for oil for ships bunkering, 9/1, p. 5

OFFICE OF INDUSTRY CO-OPERATION
Feels the steel allocations ball finally may be rolling for the oil industry; hearings set, 7/28, p. 15
OIC-Steel Advisory group showdown on small business needs seen near, 8/11, p. 15
Steel industry goes along on tanker program but balks on allocations for oil line pipe, 8/18, p. 14
Submits 4 names to Atty. Gen. as advisory committee for voluntary agreement on allocations, 8/11, p. 16

OFFICE OF INTERNATIONAL TRADE
Authorizes 107,000 ton export of casing & oil line pipe, quiet on TAPline, 11/3, p. 16
Quote for casing and oil line pipe higher this quarter than last quarter, 7/21, p. 15
Sets export quota 5% higher on oil in 3rd quarter, 8/11, p. 16

STEEL PRODUCTS ADVISORY COMMITTEE
Chances for more oil-steel pacts seen since election, 11/10, p. 17
Marketing steel proposals may reach Advisory Committee within 2 weeks, 8/4, p. 13
Plan for terminal, bulk storage tank steel given remote chance of being approved, 10/13, p. 17
Soon to receive proposals from review group on oil storage steel, 9/22, p. 14
Tries to secure steel supply for oil storage tanks, 10/27, p. 12

DEPARTMENT OF INTERIOR
Krug distribution, pricing 'program' remains a mystery, 8/11, p. 7
Krug should be liked by Truman for service in campaign, 11/10, p. 7
Krug renames Joseph White to NPC; McCormack said to have urged appointment to council, 12/29, p. 14
NPC's Washington meeting--Don't let political differences 'confuse' NPC's job, Krug asks, 8/4, p. 16
Oil Voluntary Agreement as amended since Dept.'s public hearing almost certain to be approved, 7/7, p. 9
Oil Voluntary Supply Plan, under Taft Act, complete text, 8/18, p. 41

DEPARTMENT OF INTERIOR - Cont'd
Proposed industry draft on national oil policy to be submitted to Mr. Krug after Jan., 11/10, p. 16
Urges private industry set up synthetic fuels program instead of government, 9/15, p. 40
Warren would help Dewey pick Interior Secretary, 7/21, p. 7

BUREAU OF MINES
Aviation gasoline survey results given, 12/8, p. 43
Imports gain reported; 5.8% increase in demand forecast for 1949 by Bureau of Mines, 12/29, p. 16
LPG production of 1946 compared with 1947, 8/11, p. 38
9 companies, one college get shale oil for testing, 9/1, p. 18
Oil demand falls below estimates, with residual consumption off 5%, 11/10, p. 16
Oil industry supports statement on crude runs re West Coast big seven during strike, 9/22, p. 12
Oil shale retort test exceeds expectations, 12/15, p. 45
Plans to ask for boost in money for oil research, 11/3, p. 9
Survey shows (table) octane rating of regular, premium-grade gasolines edging upward, 8/11, p. 13
Synthetic Liquid Fuels chief says immediate development of synthetic fuel plants essential to U.S., 12/8, p. 12

OIL & GAS DIVISION
Asserts improving petroleum supply no longer makes it necessary to defer bus conversions in Washington, 12/15, p. 14
Ball, Max W., cites handicaps for overseas prospects for oil, 10/13, p. 16
Ball heads pet. committee preparing not too important "White Paper" on oil situation, 7/14, p. 9
Ball intends to wind up his duties as director soon after next week's meeting of NPC, 7/21, p. 5
Ball says long strikes on Coast would be disaster, 9/8, p. 15
Ball wants to make plea to steel producers for oil storage tanks, 10/27, p.12
Ball will resign post, Friedman to take over, 10/27, p. 11
Brown (Dr.), Jersey Std. economist, tells of future abundancy of oil, 10/13,p.16
Oil industry thanks Max Ball for job as OGD director, 12/22, p. 20, Edit.
Parten or Vandeveer may succeed Max Ball as head of OGD, 12/1, p. 12
Seeks Budget Bureau's approval of $425,000, 10/6, p. 61
Sees no oil shortage in next 6 months, 12/15, p. 15

DEPARTMENT OF JUSTICE
Complete text of Voluntary Taft Act Supply Plan for pet. ind., 8/18, p. 41
Exclusive dealing and industrial bigness receive setback, 11/10, p. 17

DEPARTMENT OF JUSTICE - Cont'd
Might bring suit against way cracking patents are held, 11/10, p. 5
Oil not represented in Antitrust Div. field office conference, 9/1, p. 52
Oil Voluntary Agreement awaits Attorney Gen. Clark's approval, 7/14, p. 19
Ploeser group urges DJ action on dealer coercion; divorcement study, 12/29, p. 14
Starts action in Supreme Court to grab tidelands of Texas and Louisiana for U.S., 12/22, p. 14
Text of DJ antitrust clearance on Supply Plan, 8/18, p. 42
Voluntary Oil Allocations Agreement may be criticized by DJ in view of optimism in oil supply, 12/8, p. 5
Voluntary oil supply plan approved by Atty. Gen., 8/11, p. 11
Watches retail dealers efforts to get more margin, 12/29, p. 9

DEPARTMENT OF LABOR

BUREAU OF LABOR STATISTICS
Report oil co-ops expanded in 1947, earnings off, 12/8, p. 18

DEPARTMENT OF STATE
Protest oil seizure by Hungary of Jersey subsidiaries, 12/8, p. 14

DIESEL ENGINES
Railroads switch to diesel engines as means of saving fuel, says General Motors, 10/6,p.49

DIESEL FUEL
Current high price may cause the using of solid fuel in powdered form, 8/4, p. 5
New diesel oil described at Society of Automotive Engineers meeting, 11/10, p. 21

DISTILLATES - (See also specific listing for each)
Abnormal weather boosts call for distillates by 230 million gallons; charts, 10/13,p.51
Burt of Jersey Std. says oil can meet 11% distillate fuel demand boost but kerosine could cause trouble, 12/15, p. 43
Present only problem of supply, Boatwright tells API meeting, 11/10, p. 14
Stocks far ahead of 1947; crude runs to stills show small gain; refiners continue allocations, 9/8, p. 18
Stocks increasing; prediction that heating oil allocations be taken off pretty soon, 9/8, p. 9
West Coast strike darkens fuel supply outlook, 9/22, p. 9

DIVORCEMENT - See MARKETING - Divorcement

DOUGHERTY, KEN
Kenmac Petroleum Co. partner receives acclaim at API meeting as doing most to promote Oil Progress Day, 11/17, p. 9

DRAFT (Civilian)
Deferment list seen ready by end of Sept., 9/8, p. 22

DRAFT (Civilian) - Cont'd
Oil would get high essential rating in draft for industry if war came, 8/4, p. 18
Peacetime draft to have little effect on oil industry, 8/4, p. 18

DUKE, GORDON
Asserts indpts. may gain by working with the co-ops, 12/15, p. 42

DUNLOP, ROBERT G.
Pres. Sun Oil gives relationship of prices, profits, petroleum production at API meeting, 11/17, p. 40
Pres. Sun Oil says oil profits price trend may drop, 12/22, p. 11

DUPONT de NEMOURS & CO.
Boosts price of antiknock mixture, 8/25,p.16
Tetraethyl lead price boosted 7% by DuPont, 12/1, p. 16

ECONOMIC COOPERATION ADMINISTRATION
Asks nations to use U.S. flag bottoms exclusively in moving oil cargoes from this country, 12/29, p. 5
Authorizes $108 million procurement involving pet. prod. this year, 8/11, p. 12
Clarification of oil price policy considered by ECA, 8/11, p. 12
Europe's refining capacity will have increase in ECA financing & decline in products transactions, 12/29, p. 7
Inquiry into accuracy of ECA claims that oil shipments not affected supply situation, 12/8, p. 5
Levy tells of financing of oil shipments, 10/27, p. 11
Might be given power to use purse-string controls to reduce oil exports from U.S., 9/29, p. 5
Oil export control shift to ECA would cut red tape, save money, 8/25, p. 7
Tanker operators may seek ECA assistance on rates, 9/15, p. 55
Vogel, Col., to serve as adviser for 30 to 60 days, 9/8, p. 22

EDITORIALS
Crystal ball is good as study of past decisions to predict final ruling in exclusive dealing case, 7/7, p. 19
Need for increased margins for jobbers becomes more urgent as operating costs continue climb, 7/21, p. 17

Sales training schools urged to develop more farm business, 12/15, p. 9
Some Midwest oil companies begin to tighten up on farm credit, 12/29, p. 5
Three farm research projects to be sponsored by API, 11/17, p. 57
Too much long-term credit on oil ties up excessive working capital, 9/1, p. 38
Use of LPG for irrigation pumps, tractors level seasonal demand, 12/1, p. 44

FEDERAL GOVERNMENT

COMMITTEES
List of Senate & House changes, 11/10,p.19
List of new Senate & House committee heads, 12/29, p. 12

House Commerce Committee (Wolverton)
Crosser & Wolverton survey Mexican petroleum possibilities, 12/15, p. 7
Crosser will be new chairman, 12/29, p. 11
Group to study Mexican oil potential, 8/18, p. 12
Improved oil supplies seen this winter by Committee qualified with 'ifs' & 'howevers', 8/18, p. 12
Incoming chairman Crosser takes Mexican trip; seen linked to oil development, 12/29,p.18
Members (including Wolverton, Busbey) leave for Venezuela for petroleum study, 12/1, p. 16
Not expected to recommend a U.S. loan to Mexico for oil development, 12/22, p. 5
O'Mahoney, Senator, looks at committee with disfavor, 11/10, p. 19
Plans Mexican trip to inspect oil developments, 7/14, p. 18
Reveals no further plans in fuel policy investigation until first of year, 10/13, p. 18
Wolverton group reported at odds on Mexican oil, 9/22, p. 14
Wolverton Synthetic Liquid Fuels Bill gains approval, to be reintroduced to Congress, 12/1, p. 5

FEDERAL GOVERNMENT - Cont'd

COMMITTEES - Cont'd

House Commerce Committee (Wolverton)-Cont'd
Wolverton tour may be big factor in pending U.S.-Pemex oil contracts, 8/25, p. 13

House Expenditures Subcommittee (Bender)
Refuses to investigate wartime aviation gas purchases by Air Force, 7/21, p. 5

House Military Affairs Committee (Short)
Gives report on volume of imports, 12/22, p. 22
More action on stockpiling necessary, 10/27, p. 7
Truman turns down Short proposal for National oil policy commission, 7/14, p. 19

House Small Business Committee (Ploeser)
Adopts new tactics to obtain evidence of antitrust violations, 10/6, p. 9
Committee field probers continue to get only one side of story, 9/15, p. 7
Complaints that exclusive dealing contracts 'control' TBA items top hearings, 9/1, p. 16
Exclusive dealing gets attention, favor oil divorcement, 11/17, p. 14
Exclusive dealing probe hearings set by House, 8/11, p. 12
Field hearing witnesses hit oil & accessory companies for monopoly, 9/22, p. 15
1st field hearing hits forced purchase of equipment through suppliers of pet. products, 9/8, p. 17
Hears complaints in two cities on exclusive dealing, inability to get steel, 10/13, p. 18
Meeting Dec. 28 to consider proposed report by its staff, lists 2 recommendations, 12/15, p. 13
One segment of committee would like to probe complaint small producers & refiners victims of antitrust violations, 9/8, p. 9
Plans windup in monopoly probe, 10/20,p.16
Prepares report on findings of small business hearing, 11/24, p. 12
Resolution of National Dixie Distributors, Inc. endorses activities of Ploeser and Wherry committees, 10/13, p. 21
Stevenson, William H. (Rep.) member of committee defeated in Republican primary, 9/29, p. 14
TBA discontinuance by oil companies suggested to Committee; witnesses urge divorcement of retail-wholesale operations, 9/15, p. 15
Thinking about investigating the ICC-vets having trouble breaking into trucking, 7/28, p. 5
To recommend "anti-reprisal" legislation to protect witnesses, 10/6, p. 13
2 witnesses ask retail-wholesale divorce, 9/29, p. 13
Urges DJ action on dealer coercion; divorcement study, 12/29, p. 14
Won't seek divorcement legislation, 10/6, p. 11

FEDERAL GOVERNMENT - Cont'd

COMMITTEES - Cont'd

Joint Congressional Economic Committee (O'Mahoney)
Sen. O'Mahoney new chairman, 12/29, p. 11

Joint Congressional Economic Subcommittee (Flanders)
Chairman Flanders will say oil & other large industry profits not too high, 12/29,p.5
Pogue, Joseph E., asserts high earnings prevented long oil shortage, 12/15, p. 13
To scan corporate profits of majors, hearings set, 12/1, p. 24

Senate Commerce Oil Subcommittee (Reed)
81st Congress may probe question of regulation of all forms of transportation, 8/18, p. 5
Johnson to be new head, 12/29, p. 12
Myers, Sen., plans for continuation of this committee, to keep eye on supply-demand, 12/1, p. 5
Reed sees oil-use control if supply falls any further behind demand, 7/7, p. 16
Text of oil probers recommendations, 7/7, p. 16
Will not resume hearings this fall, 11/10, p. 16

Senate Interior & Insular Affairs Committee (O'Mahoney)
Sen. O'Mahoney will take over chairmanship, 12/29, p. 11

Senate National Resources Subcommittee (Malone)
Hearings may be used for National Fuel Policy, 10/20, p. 5
Postpone hearings on oil position until Jan. 18, 9/29, p. 14
Witness list topped by Dr. Robert E. Wilson, 9/15, p. 52

Senate Small Business Committee (Wherry)
Final report proposes marketing divorcement, 11/17, p. 14
Just marking time until something hot turns up on oil front, 7/28, p. 5
Murray, James to become chairman if this committee is continued, 12/29, p. 12
Murray, Sen., asks full time staff members to stay on in event committee continues under Murray, 12/15, p. 7
Plans to study ways to aid new oil businesses obtain supplies, 7/7, p. 18
Probers to concentrate on casing distribution, 8/25, p. 14
Questionnaires gathering dust which Indpt. & major marketing groups have answered, 8/4, p. 5
Resolution of National Dixie Distributors, Inc. endorses activities of Ploeser and Wherry committees, 10/13, p. 21
Satisfied with Connally Hot Oil Act, 11/24, p. 5
Say Wherry will not go for any type of oil-divorcement recommendations in report of his committee, 12/8, p. 5

FEDERAL GOVERNMENT - Cont'd

COMMITTEES - Cont'd

Senate Small Business Committee (Wherry) Cont'd
Should be reconstituted as permanent standing committee, Wherry could be leader, 10/20, p. 5
Term ends Jan. 1949, but Wherry predicts continuation even if Rep. president, 7/7, p. 18
Turns thumbs down to survey of prices & margins as Wolverton & Ploeser investigating, 8/4, p. 5

Senate Trade Policies Committee (Capehart)
Group to hear oil jobber, refiner give views on basing point, 11/24, p. 13
Inquiry into effects of pricing decisions gets boost from Chairman of probers, 11/10, p. 17
Rodman, pres. of Anderson-Prichard Oil Corp. scheduled to testify, 12/1, p. 24
Testimony indicates basing point policy hikes oil equipment prices, 11/17, p.18
Two indpts. tell committee base point pricing on oil ruinous, 12/8, p. 11

Special Committee Investigating Petroleum Resources (O'Mahoney)
List of findings in final report made Jan. 31, 1947, 12/29, p. 11

CONGRESS
Congressional committee watching Marshall Plan inquires into accuracy of ECA claims that oil shipments not affect domestic supply, 12/8, p. 5
Congressional stalemate looms on tidelands issue, 12/8, p. 7
Court ruling on overtime pay spurs Congressional action to clarify law, 10/27, p.21
Demand for oil lobby probe looks like political cover-up, 12/1, p. 7
Democrats will change committees; Congress oil policy shift looms, list of Senate & House changes, 11/10, p. 19
National grocery organization lays plans to interest Congress in law banning below-cost retail sales, 12/8, p. 5
Pogue, Joseph E. tells congressional committees high earnings prevented long oil shortage, 12/15, p. 13
Special session may see price, Tidelands fights, 7/21, p. 11
Stormy month looms before new Congress settles down, 12/15, p. 9
Swensrud, S.A., address before NPA meeting re "Why Congress' interest in oil industry." 9/29, p. 23
Truman's proposal for price roll-back & rationing gets cold shoulder from Congress, 8/4, p. 14

CONTROLS
Krug distribution, pricing 'program' remains a mystery, 8/11, p. 7
McCollum warns of govt. control of oil at API meeting; summary of other API talks, 11/17, p. 13

FEDERAL GOVERNMENT - Cont'd

CONTROLS - Cont'd
Rizley warns of Congress' move to expand oil controls, 12/15, p. 15, Castle
Special Session opposes price controls for oil; Heselton joins fight against regulation, 7/28, p. 11
State control of tidelands expected to be passed, 12/1, p. 12

LEGISLATION
Co-ops leaders say little chance for any anti-co-op legislation by 81st Congress, 12/8, p. 5
Gavin, Rep. L.H., to push bill authorizing Post Office Dept. to issue 3¢ stamp next year in honor of Drake Well, 7/14, p. 44
Legislative study urged on synthetic fuels, 9/15, p. 40
Proposed Oil Voluntary Agreement as amended since Interior Dept.'s public hearing almost certain to be approved by Clark, 7/7, p. 9
Supporters (Rizley-Moore bill) say compromise bill can be worked out with new Congress for change in Natural Gas Act, 11/17, p. 5
Taft-Hartley repeal won't solve legislative problems of labor, 12/8, p. 17, Scheibla
Taxing of co-ops on basis with private enterprise will be introduced by 81st Congress, 11/3, p. 13
Truman vetoes Petrol Corp. bill which would have set up 3 man arbitration board for them against government, 7/14, p. 41
Voluntary oil supply plan approved by Atty. Gen.—ordered into effect, 8/11, p. 11
Voluntary Supply Plan under Taft Act, complete text, 8/18, p. 41

FEDERAL POWER COMMISSION
Certificates of public convenience and necessity granted between Jan. 1, 1948 - June 1948, 10/13, p. 56
Clears way for quick decision on request by Trans-Continental Pipe Line Co. for steel, 11/3, p. 16
Truman expected to re-nominate Buchanan of Penna. who opposes changes in Natural Gas Act, 11/17, p. 5

FEDERAL TRADE COMMISSION
Basing point policy may force oil pricing shift, 10/20, p. 11
Capehart group to hear oil jobber, refiner give views on basing point, 11/24, p. 13
Current oil prices are under scrutiny by FTC, 12/8, p. 5
Detroit dealer price case may be heard on Jan. 27, 11/24, p. 18
Exclusive dealing and industrial bigness receive setback in FTC rulings, 11/10, p. 17
Explanation of pricing views shows need for action by Congress, 10/20, p. 20, Edit.
Indiana jobbers ask legislation to clarify Robinson-Patman Act, 10/13, p. 20
Learned, Dr. Edmund P., tells of FTC's attitude toward pricing, 11/10, p. 26, first of a series of four

FEDERAL TRADE COMMISSION - Cont'd
Marketing men see FTC & Supreme Court price decisions as big problem, 11/10, p. 5
Meredith or Ballinger may get FTC position, 12/29, p. 13
New England oil heating industry to map fair trade code at parley, 9/15, p. 51
New England oil jobbers and distributors approved code of fair trade practices for FTC, 10/6, p. 57
New England text of oil heat industry's proposed fair trade code, 11 rules listed, 10/13, p. 58
Oil will watch closely Nov. 9th basing point query, 11/3, p. 15
Pricing decisions draw fire of FTC's Mason, 10/27, p. 17
Renews spark plug complaint against General Motors, AC Spark Plug Co., 12/1, p. 17
Report made to FTC on how small oil companies can organize & save big ones & industry from bureaucracy, 12/8, p. 19, Edit.
Report says John Cooper might be nominated as member of FTC in case of Freer's retirement, 12/15, p. 9
Reports 7.2% increase in rate of return on stockholders' investment in oil companies, 8/18, p. 55
Study shows six largest oil corporations control 62% of petroleum refiners' assets, 12/8, p. 18
Testimony indicates basing point policy hikes oil equipment prices, 11/17, p. 18
Two Indpts. predict sorry future as a result of the basing point price decisions, 12/8, p. 11
Version of oil heat fair trade code near completion, 11/10, p. 61
Vice Pres. of Deep Rock Oil Corp. warns jobbers danger in FTC and Supreme Court decisions, 10/13, p. 19
Willing to try conference method for problems on basing point system, 12/1, p. 14
Wooden, Walter B., says manufacturers had better price goods FOB the mill, 11/24, p. 7

FILMS
Department of Justice seeks divorcement of exhibition from production of movies at RKO, other studios, 11/10, p. 17
Dual-purpose sales training film produced by Union Oil, 8/18, p. 9
Findings of oil training film survey now available, 12/8, p. 38
OIIC film gives public supply-demand picture, 8/25, p. 12
Richfield Oil Corp. has new film on lube oil selling, "Three ring profits", 12/1, p.16
Shell Oil makes available 30-minute full colored film, "Birth of an Oil Field", 8/4, p. 21
Shell Oil releases "Birth of an Oil Field", second in series, third to be released next year, 12/8, p. 9
Sinclair is given National Safety Council award for film, 12/22, p. 17
Std. of Ohio has new film "Lets Explore Ohio", 12/1, p. 16

FINANCIAL REPORTS
Annual reports of 30 oil companies selected to compete for 'Oscar of Industry' award, 8/4, p. 21
Eight companies report earnings for nine months, 10/27, p. 17
FTC reports 7.2% increase in rate of return on stockholders' investment in oil companies, 8/18, p. 55
Ind. Std.; Pure; Ohio Oil; Richfield - report first-half earnings up, 8/11, p. 14
Nine more companies report higher net income in 1948, 11/3, p. 24
Oil companies earn more, spend more during first half of 1948 over 1947, 7/28, p. 16
Oil company statements will attempt to translate stated dollar earnings into real purchasing value, 12/15, p. 7
Oil co-ops expanded in 1947, earnings off, 12/8, p. 18
Pogue study shows 1947 oil earnings relatively low compared with 1937 (chart), 9/15,p.21
Second quarter net sales of 35 companies up 2%, 10/20, p. 26
Six largest oil corporations control 62% of petroleum refiners' assets, FTC told, 12/8, p. 18
16 oil company earnings comprise 26% of total, 11/10, p. 18
Smaller oil companies grow faster, study shows, comparison of net worth, 11/24,p.12
10 more companies show 6-month profit gains, 8/4, p. 43

FINNELL, HAINES
Union Oil Public Relations Rep. has resigned from OIIC, 7/14, p. 13

FIRES & DISASTERS
Fires damage bulk plants in Maine & South Car., 7/28, p. 15

FISKE, THOMAS E.
Std. Oil Co. (Indiana) tax attorney, 7/7, frontispiece

FLORIDA PETROLEUM MARKETERS ASSN.
Bond, Fred, Pres., & Helen Dorman, Secretary of Assn., hurt in accident, 9/1, p. 46
Elects L.A. Johnson pres., elects to support price control; list of officers, 12/1, p. 20
Votes to change name to Florida Indpt. Petroleum Marketers Assn., 12/1, p. 20

FOREIGN OIL - (See also specific country listing)
Platt's special reports from England & France - See PLATT, WARREN C.
American Indpt. Oil cracking of solid front previously presented by majors in Mid. East important, 7/14, p. 11
American Indpt. Oil Co. signs Kuwait Oil Pact, 7/7, p. 15
Anglo-Iranian refinery seizure confirmed by Israel govt., 8/4, p. 43
Ashland, Globe Oil and Deep Rock give up options for Middle East crude, 10/6, p. 16
Davies, Ralph K., pres., Amer. Independent Oil Co. cites benefits of deal for Middle East oil, 7/14, p. 17
Haifa deadlock stalls development of oil facilities in Middle East, 9/29, p. 20

FOREIGN OIL - Cont'd
Haifa refinery closed by lack of crude oil; Israel seeks U.S. aid in locating supply, 8/18, p. 11
Haifa plant reopening indefinite, 9/22,p.5
Historical facts on Kuwait and its oil development, 11/24, p. 28
Jews again ask U.S. aid in supply crude for shutdown Haifa refinery, 8/25, p. 14
Middle East crude imports up 9%, 11/24,p.15
Middle East crude oil production still on increase, 11/3, p. 9
Middle East oil progress beneficial to Saudi Arabia as well as U.S., 9/8, p. 19
Platt's article on Kuwait, 11/24, p. 19
Question of how far U.S. can go in financing British crude production without harming companies in Middle East, 11/24, p. 5
Refinery being rebuilt in Burma on smaller Scale, 7/7, p. 59
Schedule of U.S. companies' activities in foreign countries, 9/22, p. 16
Shell Company of Venezuela moves refinery tower from London to Cardon, Venezuela (pix), 10/6, p. 46
Shifting of world petroleum export center to Middle East seen by Anglo-Iranian head, 7/14, p. 20
Superior Oil Co.'s bid for concession rights in Persian Gulf based on changed concept of territorial waters, 7/28, p. 5
Test reveals yield of good oil from Middle East crude, 11/3, p. 9
3 private companies now allowed to sell oil products in occupied Japan, 9/15, p. 40
Totals given on crude imports, 12/15, p.43
2 Texans to help evaluate Columbia concession, 8/18, p. 56
Vast new oil industry grows out of Middle East sand, Kuwait, pix, 11/24, Cover

FRANCE
American businessmen urged to tell Europe of U.S. free enterprise—Platt speaks in Paris, 9/1, p. 26 (Reports from France)
French paying over and above prices ECA says they can, to get petroleum products, 7/21, p. 5
Platt report from Paris—"Oil & motor vehicle men see world-wide modern roads program as good business", 7/28, p. 25
Rebuilding of French refineries proceeding ahead of schedule, 9/1, p. 20 (Reports from France)

FUEL INJECTION
Consumer acceptance, fleet saving shown in antiknock injection progress report, charts, 12/29, p. 20, Ridder
First public test for cars begins this week in Columbus, Ohio, 9/15, p. 49
Press gets preview of fuel injection system, 9/8, p. 20
Public introduced to fuel injection for cars; stations to sell liquid & vitameter, 9/8, p. 20
Third grade of gasoline not being promoted for use with Vitameter, Thompson declares, 12/29, p. 20

FUEL OIL
Allocation-free heating oil offered to co-ops, 7/28, p. 13
API meeting told to de-emphasize heating oil sales, by Hargrove, pres. Texas Eastern Trans. Corp., 11/10, p. 39
Burning Oil Distributors Assn. develops plan to reduce fuel oil delivery costs, 12/1, p. 17

FUEL OIL - Cont'd
Concern over increasing requests causing some refiners to conduct survey among distributors, 8/11, p. 5
Consumers Co.'s budget method for heating oil accounts speeds bill payments, builds good will, chart, 12/15, p. 38, Sturtevant
Consumers Co. has efficient fuel oil order handling for more business, 12/22, Cover
Efficient order handling and truck dispatching moves greater volume at Consumers Co., charts, 12/22, p. 21, Sturtevant
Fuel oil distributors tighten credit policies, NPN survey shows, 12/1, p. 42
Fuel oil jobber costs up 0.5¢ per gal., study shows; table of distribution operating cost, 12/8, p. 13
Heating, cooking stove output drops in May, 8/4, p. 44
Heating oil allocations dropped by Esso as inventories improve, 12/8, p. 12
Jobbers dissatisfied, being required to accept allocations during summer months, 8/18, p. 5
Local oil burner counts may help fuel oil marketers estimate demand, 10/6, p. 54
Marketers in northeast states get ready for fight between natural gas and oil for heat, 12/1, p. 5
Natural gas system expansions compete with fuel oil; charts, 10/13, p. 56
New England oil heating industry to map fair trade code at parley, 9/15, p. 51
New England OHI studies show jobber operation costs; margins up, profit down, charts, 10/27, p. 14
New England Oil Heat men O.K. proposed fair trade code, FTC to hold hearings, 10/6, p. 57
New England text of oil heat industry's proposed fair trade code, 11 rules listed, 10/13, p. 58
Oil can meet 11% distillate fuel demand boost but kerosine could cause trouble, Burt of Jersey Std. says, 12/15, p. 43
Oil heat men lash back at proposal of gas men to switch home heating from oil to other fuel, 11/17, p. 17
Oil heat men told they must meet gas challenge, 11/24, p. 16
Sears in Cleveland guarantee oil with all oil equipment sold, 8/4, p. 12
Shell's gun type oil burner head saves 14-36% fuel, chart, 11/24, p. 16
Stocks build up as refinery yields shift; refined oil stocks gain 32 million bbls., 8/11, p. 13
Suppliers stop allocating products in some areas; stocks continue upward, 9/15, p. 20
Vs. LP-Gas cost test for heating made by jobber in N. Dakota, 9/29, p. 7

CONSERVATION
Marketers debating whether to push conservation campaign among consumers, 9/15, p. 5

CO-ORDINATORS
Improved supply should mean less work for co-ordinators, 7/28, p. 7

FUEL OIL - Cont'd

PRICES

Burning Oil Distributors Assn. asks for 50-60% increase in fuel oil margins, 12/8, p. 14
Credit policies may be overhauled in regards to fuel oil for heating, higher limits may be set, 12/1, p. 5
Demand for higher fuel oil margins expected to spread, 12/8, p. 7
Esso changes widen jobber spread on gas, fuel oil, comments, 11/24, p. 11
Fuel oil margin changes give jobbers a real lift, 11/24, p. 7
Iowa Indpt. Oil Jobbers Assn. asks 3¢ margin on gasoline, 10/13, p. 21
Jobbers gas, fuel oil spread upped by 5 majors, 12/1, p. 11
Jobbers up heating oil prices, 11/17, p. 5
Skelly ups gas margins, sets minimum on fuel oil, comments, 11/17, p. 14

SPECIFICATIONS

Revised ASTM specifications approved, 9/8, p. 22

STORAGE

An enviable record on consumer storage - W. Virginia & Alabama jobber, 7/14, p. 40
Because of heating oil stocks building up may have to switch from 'gas' tankage to heating oil, 8/25, p. 5
Distributor storage must eventually be doubled, ESPA told by Wiley Butler, president, 9/15, p. 17
Distributors disinclined to buy larger tanks, 11/3, p. 9
Due to storage fill-up of residual fuel oil, difficulty in finding buyers (East Coast), 8/25, p. 5
Heating oil storage filled to capacity, talk of price fall off, 11/10, p. 5
Jobber campaigns to increase consumer fuel oil storage showing good results, per NPN survey, 7/14, p. 35
Storage capacity in excess of 2,000,000 gals. in new storage plant to be erected, 10/6, p. 59
Users' fuel oil storage up 15%, OHI Board told, 10/27, p. 16

SUPPLY-DEMAND

Allocations lifted in Minneapolis-St. Paul area, 9/15, p. 5
Mich. Pet. Assn. hears Boatwright advise, barring strikes, supplies are adequate, 9/22, p. 24
Midwest distributor says suppliers & distributors should discuss supply-demand picture, 12/8, p. 5
N.Y. Better Business Bureau hits practice of fuel oil supply guarantee by burner trade, 9/22, p. 14
Studies by Socony-Vacuum chief show effect of weather important key to supply-demand balance; charts, 10/13, p. 51
Temperature dip should cut fuel oil stocks, 12/29, p. 16

FUEL OIL - Cont'd

TRANSPORTATION

Plenty of tankers seen to haul oil this winter; problem of rates, 10/27, p. 12

GASOLINE

API meeting told to encourage gas for heating, Hargrove, pres. Texas Eastern Trans. Corp., 11/10, p. 39
BFS says any gasoline marketer can get contracts upon request, 9/8, p. 24
Company declares greater utilization of overdrive can provide considerably increased fuel economy on cars, 12/29, p. 5
Ex. Sec. of Alabama Pet. Ind. Committee says gasoline should be called "taxoline", 7/28, p. 24
Indiana jobbers charge discrimination in purchase of post office gasoline, 9/1, p. 15
Midwest jobbers warned against salesmen offering large quantities of gas tax paid, 7/28, p. 5
Natural gas may be coming into the Northwest from Canada, 12/15, p. 7
Natural gasoline industry growth revealed in survey, 12/1, p. 59
Ohio turnpike bill revised to provide oil competition, 12/20, p. 20
Oil marketers noticing continued tapering off in percentage of premium gas sales, 7/28, p. 5
Thefts of gasoline bring need for prompt action, 8/11, p. 7
Thefts rising, joint action urged by Ind. Std.-oil industry and state tax admn., 8/25,p.20

CONSERVATION

Court battle looms as 15 Texas oil wells are ordered to shut down in fight against gas flaring, 12/1, p. 13
Safe and sane driving can save as much as 74% on gasoline consumption, 7/7, p. 15

CONSUMPTION

Aug. and Sept. figures, 11/10, p. 21
Aug., Sept., Oct. figures, 11/24, p. 13
Chart for April - percentages & gallonage for Arizona, Ind., Kentucky, Mo., N.J., New Mexico, Utah, 7/7, p. 38
Continues to increase, figures, 12/8, p. 47
Farm state gas consumption up 30% despite urban population gains, charts, 10/13, p. 29
Increase in volume of traffic on U.S. highways exceeds gasoline consumption gains (tables), 9/15, p. 28
Increases 9.2% during first 6 months of 1948, comparative table, 12/1, p. 18
July, August figures, 10/20, p. 26
July: Conn., Ind., Me., N.J., N.M., N.Y., Ohio, Ore., Pa., Wash., 9/22, p. 21
June: Ark., Colo., Del., Ind., Ore., R.I., Utah; July: Fla., Georgia, 8/11, p. 16
June: Fla., Mo., Minn., Utah; July: Ore., Okla., 9/8, p. 41
June: Ind., Me., Maryland, N.H., N.J., N.M., N.Y., Ohio, Ore., Penn., Wash., 9/1, p. 12
June: Ky., Utah; July: Ark., Del., Maryland, N.H., N.C., R.I.; August: S.C., 9/15, p.16
May: Ariz., Ark., Cal., Mo., N.H., N.M., N.Y., No. Car., Wash.; June: Pa., So. Car., 7/28, p. 24
October, November 1948 increase, decrease, chart, 12/29, p. 32
Society of Automotive Engineers told of characteristics of motor oil affecting consumption, 11/10, p. 21

GASOLINE - Cont'd

DELIVERIES

Closed connection gasoline deliveries cut costs, save time, tests indicate (Esso Story), 7/21, p. 31
Closed connection for transferring gasoline aid to safe handling (developed by Esso), pix, 7/21, Cover
11 states require separate pumps, meters for split heating oil, gasoline delivery, 9/29, p.34
Few gasoline jobbers by-pass bulk plants; NPN survey of 618 gasoline marketers, 8/11, p. 34
Margin of profit or loss can depend on efficient delivery truck routing, 10/6, p. 37
Trend toward night deliveries of gasoline to service stations takes hold, 10/6,p.9

OCTANE RATING

American Chemical Soc. meeting deals with problems of making high octane fuel, engine efficiency, 9/15, p. 53
Car makers watch future fuel developments after introducing high compression engine, 10/6, p. 24
Future of high octane fuels among ACS topics, 9/1, p. 53
Holaday (Socony-Vacuum) says it would cost $90 million for refinery to turn out high octane gas, 12/22, p. 5
Ind. Std. denies it is hiking octane level, 12/22, p. 14
Octane rating of regular, premium-grades edging upward, survey shows, 8/11, p. 13
Premium gas returns on W. Coast, sales brisk, 11/17, p. 11
Public introduced to fuel injection for cars; stations to sell liquid & Vitameter, 9/8, p. 20
Purchasers of new large autos say higher octane premium gas is needed, 9/1, p. 5

PRICES

Esso discontinues T.W. differential in 3 areas, 9/8, p. 55
Gas price signs for California are causing law enforcement, 11/17, p. 11
Gasoline dealer margin passes 5¢ mark Sept. 1, 1948, 10/13, p. 26
Jobbers gas, fuel oil spread upped by 5 majors, 12/1, p. 11
Learned, Edmund P., Dr., gives 10 year case study on how competition sets gasoline prices, cover, 11/10, p. 26, first of a series of four.
Learned case study, part 2, determining prices to dealers & stations, 11/17, p. 47, second of a series of four
Learned case study, part 3, detailed story of three price wars, 11/24, p. 30, third of a series of four
Learned case study, part 4, markets and their effect on dealer margins, 12/1, p. 31, fourth in a series of four.
Midwest supplier ups jobber gas margin, 10/13, p. 16
Penna. Pet. Assn. supports need for increased gasoline margins, 10/13, p. 26

GASOLINE - Cont'd

PRICES - Cont'd
Price gouging not prevalent as strike hits West's stations, 9/15, p. 9
Retail gas dealer denies assn. fixed prices, at Circuit Court, 12/1, p. 12
Self serve stations feature cut prices, general summary, 11/3, p. 26
Skelly ups gas margins, sets minimum on fuel oil, comments, 11/17, p. 14
3¢ margin on gasoline, fuel oil asked by Iowa Indpt. Oil Jobbers Assn., 10/13, p. 21

RATIONING
Britain's colored gas hit black marketers, 12/8, p. 42
National Congress of Pet. Retailers to study 'gas' rationing in event of war, 9/1,p.16
War in next 4 years would mean much more strict rationing than last war, 9/29,p.5

SUPPLY-DEMAND
Allocations relaxed by some suppliers to end of month; new crude output record set, 8/25, p. 11
Deficit in military oil supplies grows as demands for avgas increase rapidly, 7/28, p. 12
Gasoline output was up 290,000 bbls. for a new high of 17,938,000 bbls., 7/7, p. 20
Gas. supply optimism grows despite big demand, 7/14, p. 15
Heaviest tourist demand for gas. & motor oil on cross-country arterial highways, 7/7, p. 42
Many jobbers buying at premium to get gasoline for customers, 7/21, p. 19
Record gasoline output continues to lend optimism to supply picture, 7/21, p. 13

TAXES - (See also TAXES)
Arkansas oil dealers oppose gasoline tax increase, 12/15, p. 20
Federal gasoline tax receipts up, 7/7, p. 34
Kentucky gasoline demand cut by increase in tax, 7/14, p. 20
Midwest oil men rally forces to fight gas tax increases, 10/27, p. 7
Move to up N.Y. state gas tax seen, 12/22, p. 15
Oil men fight for better transportation system as they oppose diversion of gas tax money, 9/8, p. 23, Edit.
1.5¢ tax (federal) may be reduced by next Congress but never discontinued, 8/18,p.5
Reports from API show taxes on gasoline have increased, 10/13, p. 26
State legislative agenda include gas tax boosts, other oil laws, list of states, 12/1, p. 15
Tax men urged to seek equality, better administration of laws, 12/22, p. 15

GENERAL AMERICAN TRANSPORTATION CO.
Brief editorial biography of Max Epstein, chairman of executive committee, 9/29, p.20, Edit.

GENERAL MOTORS CORP.
High compression engine for automobiles demonstrated by Charles F. Kettering, director of GM, 10/6, p. 24
Kettering picked for API Achievement Award, 10/27, p. 16
Report railroads switch to Diesel engines as means of saving fuel, 10/6, p. 49

GENERAL PETROLEUM CORP.
Constructs new plant in Wyoming, 11/3,p.13
Has biggest Christmas sign in Los Angeles, 12/29, p. 9
Has new shopping center station patterned for sales, service (floor plan & pix), 7/7, p. 25
Land Dept. gets four district offices, list of officers, 10/27, p. 9
Signs a new contract with OWIU calling for 12.5¢ increase, 11/17, p. 16
To sponsor Reserve unit, 8/25, p. 20

GEORGIA INDEPENDENT OILMEN'S ASSOCIATION
Supply of oil products is good, meeting of Georgia jobbers told, 7/28, p. 17

GERMANY
Norman Shaw of Lincoln Oil Co. sails for fuel post in Germany, 9/15, p. 24

GISH, TRUMAN H.
Consumers Co.'s budget method for heating oil accounts speeds bill payments, builds good will; charts, 12/15, p. 38, Sturtevant

GLOBE OIL
No longer negotiating for 10,000 b/d of Middle East crude from Anglo-Iranian, 10/6, p. 16

GOVERNMENTAL INVESTIGATION COMMITTEES - See FEDERAL GOVERNMENT - Committees

GREAT BRITAIN
Branded product reappears at service stations, 11/17, p. 50
Colored gas hit black marketers, 12/8,p.42
Platt report from England. Petroleum Board's great record helps British oil industry escape Socialism, 7/14, p. 22
Platt report from England. Supply and dollar shortages plague British oil industry; new "gas" rationing plan tried, 7/21, p. 21
Platt report from England. Rapid Growth of refining across Atlantic to effect oil industry throughout world, 8/4, p. 22
Platt report from London. British oil industry clings to earnings to help finance big development program, 8/11, p. 24
Reports from England. English stations are owned and operated by non-oil companies, 8/25, p. 22
Reports from England. British oil's success in Mid-East shows effectiveness of its public relations, 9/8, p. 27
School needs increase British butane demand, 12/29, p. 31

GREAT LAKES PIPE LINE CO.

Operation: Operation of products line shown in trip along Great Lake system, 11/3, p. 42, first in a series of three, Castle

Operation: Efficiency and good housekeeping prevail at new delivery terminals, 12/8,p.34, second in a series of three, Castle

Operation: Two new-style truck loading racks offer efficiency and speed in handling products, 12/15, p. 34, last in a series of three, Castle

Pipe line expanded 50%, picture, 11/3, Cover

Speed & efficiency stressed in new truck loading racks, pix, 12/15, Cover

GREEN OIL CO.

Acquires some of major's marketing units, plans expansion, 12/1, p. 21, Sturtevant

GULF OIL CORP.

Biplane "Gulfhawk" enshrined in Smithsonian, 12/1, p.28

Change gas and fuel oil prices to meet Esso increase, 12/1, p. 11

Markets new type of insecticide, 12/1, p. 16

Phillips Oil Co. switches supply connections from Richfield to Gulf, 12/8, p. 24

Plans for $40 million expansion for handling of Middle East oil imports, 12/8, p. 12

Super service station for private aircraft; planning erection at Allegheny Co. airport, 9/22, p. 34

Swensrud, president—at NPA meeting, service stations with one supplier economic necessity, 9/22, p. 20

Swensrud, president—at NPA meeting, text of address answering charges against oil industry, 9/29, p. 23

Swensrud, pres., says indpt. marketers gain ground, 12/15, p. 14

Tells public how its magnetometer works, 8/11, p. 20

Ups Port Arthur Texas refinery output by 66,000 b/d, 12/8, p. 15

HARTOL PETROLEUM CORP.
Burns, W.C., new head, 9/1, p. 14
Burns, W. Chalmers, pres., 10/20, frontispiece

HARVARD BUSINESS REVIEW
Learned, Edmund P., Dr., article to be published in NPN in a series of four, Nov. 10, 17, 24, Dec. 1, 11/10, p. 26

HAVENS, F. N.
Vice pres. Union LP Gas System, writes article "Margin of profit or loss can depend on efficient delivery truck routing", 10/6, p. 37

HEATING EQUIPMENT - See OIL BURNERS & OTHER HEATING EQUIPMENT

HIGHWAYS
High costs cited as reason for delaying road construction, 9/1, p. 7
Increase in volume of traffic in U.S. exceeds gasoline consumption gains, study shows, 9/15, p. 28
Little-used highways waste taxpayers money, 8/11, p. 14
Maine marketers promote statewide safety drive, 11/24, p. 16
Massachusetts oil men back antidiversion move in revenue, 10/20, p. 4
Ohio turnpike bill revised to provide oil competition, 12/22, p. 20
Oil men fight for better transportation system as they oppose diversion of gas tax money, 9/8, p.23, Edit.
Platt Report—Oil and motor vehicle men see world-wide modern roads program as good business, 7/28, p. 25
Public Roads admn. completes study on highway transportation, 11/3, p. 9
State and local highways grow busier in 1948. (map with percentages), 9/15, Cover
$2,038,460,000 in state highway user taxes diverted and spent for other purposes in last 13 years, 7/28, p. 20

HOLMAN, EUGENE
Jersey Std. pres. says oil profits price trend may drop, 12/22, p. 11
NPA meeting—Cites oil's role in peace, 9/22, p. 20

HOPE, STANLEY C.
Esso Std. Oil Co. exec. vice pres., 11/3, frontispiece

HUMBLE OIL & REFINING CO.
Barrow, L.T., Board chairman succeeding Wiess, 11/3, p. 23
Plans new gasoline plant, 10/27, p. 37
Posthumous award voted Wiess by Mining Institute, 10/13, p. 17
Wiess, Harry, and others who built Humble helped develop new type of management in industry, 9/1, p. 17, Edit.
Wiess, H.C., chairman, dies, 9/1, p.19

HUMPHREY, WILLIAM F.
Pres. Tide Water Associated Oil Co. helps observe 70th anniversary of company, 12/1, p.17

HUSKY REFINING CO.
Acquires small Carter refinery, 12/1, p. 12

ICKES, HAROLD L.
Can't make up his mind on tidelands issue, 10/20, p. 7
Writing book re oil companies stealing tidelands from the people, 9/29, p. 5

IMPORTS
Battle over oil imports nears as industry lines up on issues, 12/22, p. 7
House Armed Services Subcommittee (Short) gives report on volume of imports, 12/22,p.7
Imports gain reported; 5.8% increase in demand forecast for 1949 by Bureau of Mines, chart, 12/29, p. 16
Imports to top exports this year, 12/29, p. 7
NSRB sees U.S. importing 10% of oil needs by 1952, 10/6, p. 15
Oil for ships bunkering should not be charged against a country's import quota, 9/1, p. 5
Totals given on Middle East crude imports, 12/15, p. 43
U.S. still net importer despite export increase, 7/21, p. 12

INDEPENDENT OIL COMPOUNDERS ASSN.
First annual convention: Calls for fair trade practices; moves to capture farm trade with training program, 10/13, p. 42
Paape, L.F., heads association, 8/18, frontis.

INDEPENDENT OIL MEN'S ASSN. OF NEW ENGLAND
Elect Joseph B. Wells exec. director, 12/15, p. 17
Study shows fuel oil jobber costs up 0.5¢ per gal.; table, 12/8, p. 13

INDEPENDENT PETROLEUM ASSN. OF AMERICA (IPAA)
Becker, Merle, pres., defends increased petroleum profits, 7/14, p. 44
Brown, Russel, replies to NPN's suggestion that indpts. unite in fight against bureaucracy, 12/22, p. 16
Brown, Russel, urges OIT to withhold action on exports for Trans-Arabian line until right of way is given, 11/3, p. 16
Brown tells Oil Heat Institute of New England, withholding and imports will weaken competitive spirit, 11/10, p. 16
Comparison table of compact, IPAA supply-demand forecasts, 12/15, p. 16
Forecasts 1949 increase of 8.8% in domestic demand for oil products, 12/15, p. 17
How IPAA can help organize small oil companies and save the big ones and the industry from bureaucracy, 12/8, p. 19, Edit.
Jobber members of Empire State Petroleum Assn. join IPAA in job as watchdog over Congress, 10/13, p. 11
Martin, Bruce, comments on IPAA in letter to editor, 12/22, p. 18
19th annual meeting Sept. 28, speakers say replacement costs call for higher prices, 10/6, p. 60
Shield, Fred W., pres., 11/17, frontispiece

INDEPENDENT PRODUCERS ASSN. OF AMERICA
Condemns National Security Resources Board's proposal to curtail domestic oil production for war reserve, 10/6, p. 60

INDIANA INDEPENDENT PETROLEUM ASSN.
Asks legislation to clarify Robinson-Patman Act, annual convention, 10/13, p. 20
Jobbers charge discrimination in purchase of post office gasoline, 9/1, p. 15
Parker, Morris, elected pres.; list of officers, 10/13, p. 20
Urge National Oil Jobbers Council vote be limited, 12/1, p. 11

INTER-DEPARTMENTAL PETROLEUM COMMITTEE
Hears OGD's views of no oil shortage in next 6 months, 12/15, p. 15

INTERIOR & INSULAR AFFAIRS COMMITTEE - See FEDERAL GOVERNMENT - Committees

INTERNATIONAL ROAD FEDERATION
Oil industry backs new world road federation, plan for global network, 7/21, p. 18

INTERSTATE COMMERCE COMMISSION
Affirms oil products permits also cover LP-Gas, 7/7, p. 22
Asked to reconsider 'Primary Business Test' rule in Schenley Distillers Case, 10/6, p. 22
Denies rail rate cuts to meet truck competition, 9/1, p. 52
Drops LP-Gas railroad tariffs probe, 7/28, p. 20
Extends Lenoir Chair case to Oct. 4, 9/15, p. 16
For-hire, private truckers fight heads for showdown, 10/13, p. 16
Has been asked by railroads for 90-day delay in LPG rate case, 7/21, p. 16
Maintenance can reduce truck accidents due to mechanical defects, report shows; charts, 10/6, p. 26
New LPG rail rates ordered by ICC in eastern territory, 11/3, p. 24
Orders seven crude pipeline companies to accept minimum tenders of 10,000 bbls., 9/29, p. 17
Railroads would blanket oil in rate hike they seek, 10/20, p. 15
Railroads petitioned ICC for 8% increase in freight rates, including those on petroleum and products, 10/6, p. 22
Reverse Lenoir ruling, 3 petitioners ask ICC, 9/1, p. 15
Sets Shell's pipe line valuation, 9/15,p.52

INTERSTATE OIL COMPACT COMMISSION
Battle over oil imports nears as industry lines up on issues, report of IOCC, 12/22, p. 7
Committee sees 1949 demand for oil 6% higher than last year, 12/15, p. 16
Comparison table of compact, IPAA supply-demand forecasts, 12/15, p. 16
Debating whether commission should advocate national oil policy, 8/25, p. 5
Economics Advisory Committee urges continuation of battle to boost supply; report to N.Y. meeting, 9/1, p. 11
Elects Gov. Carlson as chairman, list of 4 other resolutions and adoptions at meeting, other officers, 12/15, p. 15, Castle

INTERSTATE OIL COMPACT COMMISSION - Cont'd
Latest to authorize a committee for studying an "oil policy", 9/8, p. 11
Parts of revised model oil and gas conservation law will be presented to legal committee, 7/21, p. 5
Quarterly meeting Aug. 30 open; will answer critics of Compact & state regulatory bodies, 8/4, p. 5
Released detailed survey of classification & availability of nation's stored refinery crude, 7/21, p. 14
Studies proposal to write its version of National Oil Policy—N.Y. meeting, 9/8, p. 21
Text of report of economics committee, chart, committee members, 12/15, p. 46
Text of report of Economics Committee re supply & demand, 9/8, p. 47
Thompson, E.O., tells how state conservation under Compact serves industry, nation, 9/15, p. 42
Two reports submitted at summer meeting show close balance on supply-demand for winter, 9/8, p. 45
Warned by Rizley of Congress' move to expand oil controls, 12/15, p. 15, Castle

INTRA-INDUSTRIAL RELATIONS
National Planning Assn. study to include oil company, 9/15, p. 18
Plan eyed to boost cooperation among lower level supervisors, 8/11, p. 9

INVESTIGATIONS (Federal) - See FEDERAL GOVERNMENT - Committees

IOWA
If elected, former Sen. Gillette will ask for oil divorcement, 9/8, p. 44
Indpts. backing "divorcement" strongly because of exorbitant price of domestic fuels, 8/18, p. 5

IOWA INDEPENDENT OIL JOBBERS ASSN.
Asks divorcement as move for higher margins gains, 10/27, p. 15
Asks 3¢ margin on gasoline, fuel oil, 10/13, p. 21
Jobber unrest typified by talk on margin, divorcement issues, 10/13, p. 11

JACOBS, LIONEL L.
Writes letter to Joseph Butler, chairman of OIIC Mid-Atlantic district, 12/29, p. 19

JAPAN
Plans for Bureau of Federal Supply to buy petroleum products from 3 private companies, 10/6, p. 16
3 private companies now allowed to sell oil products in occupied Japan, 9/15, p. 40

JARD PETROLEUM, INC.
Tacoma, Wash. only self-serve station, 8/18, p. 32

JEFFERSON CHEMICAL COMPANY
Will establish research center, 12/8, p. 47

JENNEY MANUFACTURING COMPANY
Oil Indpt. with new ideas started direct deliveries quarter century ago, 9/29, p. 30
Uses world series for promotion, 10/27,p.17

JENNINGS, B. BREWSTER
Heads NPC group on war organization plans, 7/14, p. 21

JET FUEL - See AVIATION GASOLINE

MARKET REPORTS
Abundant supply reflected in 'unallocated' gasoline; increased fuel oil & lube offerings, 9/15, p. 57
Calls for products ease in most refining districts with 'premium' bidding downward trend, 7/21, p. 43
Critical period seen ahead for fuel oil prices as result of high distillate & residual stocks, 9/1, p. 41
Distillate, residual stocks top 130,000,000 bbls. for opening day of 1948-1949 heating season, 9/8, p. 49
Esso lowers heavy fuel 25¢ at Coastal points; gasoline up 0.5¢; No. 2 down 0.25¢ at Gulf, 12/29, p. 33
Esso & others lower bunker prices at Coastal ports, 3 California sellers post general price advances, 11/24, p. 47
Fuel prices ease with high stocks and warm weather; Atlantic makes competitive tank wagon reductions, 11/17, p. 59
Gasoline stiffens at Gulf; Pennsylvania lubes and wax offered at sharply lower prices, 9/29, p. 43
Heating season nears with record fuel stocks; No. 6 prices fall in central states, 8/18, p. 47
Heavy fuels prices decline with storage tanks reported almost overflowing in some areas, 7/7, p. 45
Major crude buyers still hold the line as Phillips says it won't backtrack, 10/20, p.57
Market tension eases as major buyers continue to hold out on crude increase, 10/13, p. 69
Offerings increase at refiners' regular-customer prices; No. 6 fuel continues decline, 8/25, p. 45
Open market trading continues light, "gas" demand let-up noticeable and allocations boost indicated, 7/28, p. 45
Phillips and Sinclair regretfully rescind 35¢ crude increase; product prices ease in refining areas, 12/22, p. 43
Prices unchanged except Okla. heavy fuel off 25¢; product supplies continue easier, 8/4, p. 47
Product availability continues to increase with fuel stocks reported near capacity level, 8/11, p. 47
Product availability increases in the nation with buyers reported resisting 'premium' offerings, 7/14, p. 45

MARKET REPORTS - Cont'd
Residual demand is off in all areas as prices ease; tension declines over crude postings, 11/10, p. 63
Seep agency cuts Penn. crude prices 50¢; Sohio, Pemex and Socony reduce fuel prices, 12/15, p. 49
Sinclair crude boost extends rise to Rocky Mt. areas, prices for products are easier in all districts, 12/1, p. 47
Socony, Atlantic, Imperial reduce refined products prices, Turner Valley, Leduc crudes down 43-52¢ bbl., 12/8, p. 49
Southern Minerals backtracks on crude increase, product price trend is lower, 10/27, p. 41
Speculation over possibilities of large crude buyers following Phillips 35¢ boost dominates markets, 10/6, p. 63
Status of crude postings unchanged; No. 2 cargoes bring 9¢ at Gulf, 11/3, p. 47
Trading in gasoline, distillates quickens at Gulf; bunker "C" continues sluggish, 9/22, p. 57

MARKETING
Indpt. jobbers offset distribution costs by selling s.s. used equipment instead of new free installations, 9/15, p. 5
Jenney Mfg. Co., old Indpt. with new ideas started direct deliveries quarter century ago, 9/29, p. 30
LP gas market continues to rise up 29.5% in 1948; chart, 12/29, Cover
Most oil companies believe uniformity in containers would cut handling costs, 8/4, p. 30
Oil marketers generally noticing continued tapering off in percentage of premium gas sales, 7/28, p. 5
O'Rourke, H.J., gives his views on tie-in sales, 9/15, p. 54
State laws should govern oil marketing safety, 10/27, p. 18
Steel allocation for oil, LP-gas marketing dealt blow, 9/29, p. 14

COMPETITION
Automotive dealers to push a new analytical service for automobiles, 10/13, p.9
Co-ops find private competition tough despite tax advantages, per "Printers Ink", 10/13, p. 25
Marketers in northeast states get ready for fight between natural gas and oil for heat, 12/1, p. 5
Vigorous competition returns as strike diminishes rapidly, 11/24, p. 9

DIVORCEMENT
Bill planned by Sen.-elect Gillette for divorcement, 11/10, p. 12
Divorcement of marketing favored by Arkansas Indpt. Marketers, 12/15, p. 20
Divorcement will be big topic at jobber council meeting, 11/3, p. 11
Empire State Petroleum Assn. does not favor price control or divorcement, asks distribution of profits, 12/1, p.12
Gets attention of congressional investigating committees, 11/17, p. 14

Atlantic City meeting—service stations with one supplier an economic necessity—Swensrud, 9/22, p. 20
Text of Swensrud address at Atlantic City re "Why Congress' interest in oil industry", 9/29.p. 23

NATIONAL PETROLEUM COUNCIL
Committee for recommending war-oil organ. will urge something like PAW-PIWC—propose strengthening hand of PAW, 7/14,p.9
Committee on LPG urges broad LP-Gas storage expansion program to save maximum volume to meet rising demand, 8/4, p. 44
District 4 & 5 advisory groups appointed, 9/15, p. 14
District groups report winter supply outlook good, 10/27, p. 11
Jennings, B. Brewster, heads NPC group on war organization plans, 7/14, p. 21
Krug renames Joseph White to NPC; McCormack said to have urged appointment to council, 12/29, p. 14

NATIONAL PETROLEUM COUNCIL - Cont'd
Leaders warn of peril of prolonged W. Coast strike, 9/15, p. 11
LPG committee's report; group forecasts enough LPG in 1948-1949 except for seasonal peaks, 8/11, p. 36
LP-Gas committee members listed, 8/11, p. 45
Names members to Districts 1 & 2 supply plan groups, 8/25, p. 20
Names members to Dist. 3; industry draft seen unnecessary now, 9/1, p. 14
Page urges oil make every effort to meet military's Avgas and other product needs, 10/27, p. 20
Parten or Vandeveer may succeed Max Ball, 12/1, p. 12
Proposed industry draft on national oil policy completed by NPC group, 11/10, p. 16
Quarterly meeting Oct. 21, 9/22, p. 15
Report on government-industry war oil organization to recommend same type PAW-PIWC set-up with change on federal side, 12/8, p. 5
Special committee on oil industry manpower will be headed by Vandeveer, list of members, 10/27, p. 12
Supply plan chairmen to meet Sept. 13, 9/8,p.18
Tanker committee sees enough tankers for at least the next 12 months, 7/21, p. 13
To begin new year with 87 members, 7 of them new, list of members, 12/15, p. 14
Voluntary oil supply plan pushed by OGD, industry; 3 of 5 committees activated, 8/18, p. 11
War-industry experience gives Jennings background needed for new NPC post, 8/11, frontis.
Washington meeting--Armed Services demand 'prompt 100% coverage'; threaten Draft Act clause, 8/4, p. 15
Washington meeting--Don't let political differences 'confuse' NPC's job, Krug asks in co-operation plea, 8/4, p. 16
Washington meeting--storage, refining capacity may be next bottlenecks; general outlook good, 8/4, p. 11

NATIONAL PLANNING ASSN.
Labor-management study to include oil company, 9/15, p. 18

NATIONAL SAFETY CONGRESS
Moves for complete standardization in height of capacity oil drums, 10/27, p. 5

OIL SECTION
Klemme, Don A., general chairman, 12/22, frontispiece
Klemme of Stanolind general chairman, list of officers, 10/27, p. 18
Told state laws should govern oil marketing safety, 10/27, p. 18

NATIONAL SECURITY RESOURCES BOARD
Favors cutting back domestic production of oil, 10/27, p. 7
Master truck-trailer mobilization plan being drafted, committee formed, list of members, 11/3, p. 24
Oil would get high essential rating in draft for industry if war came, 8/4, p. 18
Proposal of NSTB to curtail domestic oil production for war reserve condemned by IPAA, 10/6, p. 60

NATIONAL SECURITY RESOURCES BOARD - Cont'd
Proposed industry draft on national oil policy completed by NPC group, 11/10, p. 16
Says civilian consumption of oil could be cut 1 million b/d per day in event of war, 10/20, p. 5
Sees U.S. importing 10% of oil need by 1952, 10/6, p. 15
Watchdog committee on the Marshall Plan asks NSRB for report re ECA claims that oil exports do not affect domestic supply, 12/8, p. 5
World War II oil list of draft deferments adopted by selective service planners, 11/17, p. 50

NATIONAL TANK TRUCK CARRIERS, INC.
Appoints committee to draw up uniform tariff rules & regulations for for-hire carriers, 8/18, p. 18
Expect to set up own cargo insurance company, 10/27, p. 5
Explores idea of purchase pool to distribute to members, trucks, etc., 10/27, p. 5
5 trophies to be awarded tank truckers in safety contest; Max Ball to speak at meeting, 9/15, p. 51
Plenty of business for commercial carriers seen by oil company men, 10/20, p. 18

NATIONAL TAX EQUALITY ASSN.
Opposition to co-ops tax privileges have telling effect, 10/13, p. 25

NATURAL GAS
Authority of FPC to allocate in derogation of contractural rights of 3 companies pending, 9/15, p. 5
Continued shortage of gas until Natural Gas Act is amended, 9/15, p. 5
FPC to hear applications from Texas Eastern Transmission Co. & others re increasing delivery, 7/7, p. 59
Systems expansions compete with fuel oil, charts of FPC certificates, 10/13, p. 56
Three way battle for New Jersey's heating market, 10/20, p. 5

NATURAL GAS ACT
Supporters of legislation believe compromise bill can be worked out with new Congress, 11/17, p. 5

NATURAL GASOLINE
New plant in Hockley County, Texas will process 150,000 gal. of LP-Gas, 7/28,p.15
Soon as steel becomes available, plants for making motor fuel from N.G. will blossom, 9/8, p. 9
Sun Oil plans to build 9 plants, 7/14, p. 16
Texaco to revamp Electra gasoline plant in Fort Worth, 7/14, p. 44

NATURAL GASOLINE ASSN. OF AMERICA
Southern meeting set for Oct. 15; committee chairman list, 9/8, p. 43

NAVY
Considers deep test of Teapot Dome Reserve, 7/21, p. 5
USMC may ask that Navy give up 55 large tankers, 12/8, p. 13

NEBRASKA

Davisbilt Products Co., Robert Simon succeeds J.F. Winchester as pres., 8/11, p. 20
European Economic Admin.—Joseph Oppe appointed tanker advisor to Paul Hoffman, 7/14, p. 18
Florida Indpt. Petroleum Marketers Assn. elects L.A. Johnson, pres., 12/1, p. 20
Hartol Petroleum Corp., W. Chalmers Burns new pres., 9/1, p. 14
Hartol Petroleum Corp., W. Chalmers Burns pres., 10/20, frontispiece
Humble Oil & Refining Co. elects Barrow Board of Directors, 11/3, p. 23
Indpt. Oil Men's Assn. of New England elects Joseph B. Wells, exec. director, 12/15,p.17
Maumee Valley Pet. Club, S.A. McHugh, pres., list of officers, 8/25, frontispiece
McCarthy, Glenn, pres. of new McCarthy International Tube Corp., 12/8, p. 20
National Lubrication Grease Institute officers elected, 10/20, p. 22
National Petroleum Council, B. Brewster Jennings heads group on war organization plans, 7/14, p. 21
Oil Industry Information Committee, Haines Finnell of Union Oil resigns, 7/14, p. 13
OIIC's new chairman Conger Reynolds, 12/29, frontispiece
OIIC, Conger Reynolds new chairman, list of vice-chairmen, 11/17, p. 13
Pennsylvania Pet. Assn., 20 directors elected, 10/6, p. 21
Petrol Refining Inc., Eugene Callis pres., 9/1, p. 14
Richfield Oil Corp., Marc F. Braeckel new pres., 9/29, frontispiece
Richfield Oil Corp., Marc F. Braeckel succeeds W. Chalmers Burns as pres., 8/25, p.20
Shell Oil Co., P.E. Lakin will head activity on W. Coast, succeeding Sidney Bliether, 11/10, p. 18
Sinclair, W.R. Argyle new exec. vice pres., 10/6, p. 61
South Dakota Indpt. Oil Men's Assn., J.W. McKeever, new pres., list of officers, 10/20, p. 17
Stanolind Oil Purch. Co., R.O. Dietler, chairman of board; A.C. Sailstad, pres.; D.L. Wolfe, vice pres., 7/7, p. 13
Texas Railroad Commission elects W.J. Murray, Jr. chairman, 12/22, p. 14
Twenty-five year Club elects John Crawford of Parkersburg Rig & Reel Co. pres., 11/17, p. 57

PETCO CORPORATION
Petco to install 5,000 b/d cat cracker; contract let, 10/13, p. 25

PETROL REFINING INC.
Newly formed, headed by Eugene Callis, 9/1, p. 14

PETROLEOS MEXICANOS - (See also MEXICO)
Aleman, Pres., may outline his oil policy in address to Mexican Congress, 9/1, p. 52
May be forced to pay $61 million in oil Royalty claims, 10/13, p. 16
Wolverton tour may be big factor in pending U.S.-Pemex oil contracts, 8/25, p. 13

PHILLIPS CHEMICAL COMPANY
Formed as a wholly-owned subsidiary of Phillips Pet. Co., 7/21, p. 14
To begin immediate construction of new chemical unit on Houston Ship Channel, 9/29, p. 18

PHILLIPS OIL COMPANY
Switches supply connections from Richfield to Gulf, 12/8, p. 24

PHILLIPS PETROLEUM CO.
Adams' statement explains Phillips' stand on boost of crude price, 9/29, p. 11
Borrows large sum for financing operation, 10/27, p. 17
Court refuses to review alkylation patent case, 10/13, p. 67
LP gas market continues to rise, up 29.5% in 1948, chart, 12/29, Cover
National City Lines civil antitrust suit moves to Chicago for trial, 10/20, p. 26
Rugh and Mattocks of Phillips write article on growth of LP-Gas industry, 12/29, p.29
To expand offices at Bartlesville, 8/25,p.54
Ups crude 35¢ - other majors balk, 9/29,p.11

PIPELINES
ICC orders 7 crude pipeline companies to accept minimum tenders of 10,000 bbls., 9/29, p. 17
Kaiser goes into pipe line field, 11/24,p.5
Locke, Gordon C., becomes exec. sec. & counsel for pipe line companies, 9/1,p.18
Operation of Great Lakes Pipe Line Co.: Operation shown in trip along Great Lakes system, 11/3, p. 42, first in a series of three, Castle
Operation of Great Lakes Pipe Line Co.: Efficiency and good housekeeping prevail at new delivery terminals, 12/8, p. 34, second in a series of three, Castle
Operation of Great Lakes Pipe Line Co.: Two new-style truck loading racks offer efficiency & speed in handling products, 12/15, p. 34, last in a series of three, Castle
Pipe exports may be postponed by Administration until after election, 9/8, p. 9

DOMESTIC
8,547 miles of crude and products line completed since war, 10/13, p. 18
Increased volume of gasoline, heating oil seen for Midwest as new pipe line opens, 7/14, p. 18
New Maine pipe line promises more flexible marketing operation, 8/18, Cover
Revenues up 16%, 8/25, p. 54
Socony's new 124-mile Maine pipe line promises more marketing flexibility, 8/18, p. 27

PIPELINES - Cont'd

DOMESTIC - Cont'd
Socony pushes pipe line for central N.Y., 8/18, p. 20
Socony-Vacuum began construction of pipe lines to carry products from Portland to Bangor, 7/14, p. 16

FOREIGN
Hull, B.E., pres. of Trans-Arabian Pipe Line Co., 9/1, frontispiece
Trans-Arabian changes design due to possible hike in U.S. demand, 9/15, p. 7
Trans-Arabian design capacity increased to 500,000 b/d, 9/8, p. 55
Trans-Arabian Pipe Line to push TAPline to completion when additional steel available, 7/28, p. 20

PLATT, WARREN C.
Article #1—Reports from London—Pet. Bd.'s great record helps British oil industry escape Socialism, 7/14, p. 22
Article #2—Reports from London—Supply and Dollar shortages plague British oil industry; new "gas" rationing plan tried, 7/21, p. 21
Article #3—Reports from Paris—Oil and Motor vehicle men see world-wide modern roads program as good business, 7/28, p. 25
Article #4—Reports from London—Rapid growth of refining across Atlantic to affect oil industry throughout world, 8/4, p. 22
Article #5—Reports from London—British oil industry clings to earnings to help finance big development program, 8/11, p. 24
Article #5—Reports from England—Subtitles to article #5: Hard money is difficult to get; expansion plans still not complete; consumption in United Kingdom increases; government urges farm mechanization; would quadruple number of motor cars; distribution rehabilitation being held up; refinery project already announced, 8/11, p. 24
Article #6—Reports from Paris—Smart ideas used at some French stations but style & facilities lag behind U.S., 8/18, p. 22
Article #7—Reports from England—Stations in England are owned and operated by non-oil companies, 8/25, p. 22
Article #8—Reports from France—Rebuilding of French refineries proceeding ahead of schedule, 9/1, p. 20
Article #8 (extra)—Reports from France—American businessmen urged to tell Europe of U.S. free enterprise at every opportunity, 9/1, p. 26
Article #9—Reports from England—British oil's success in Mid-East shows effectiveness of its public relations, 9/8, p. 27
Kuwait article, 11/24, p. 19

Price cutting starts in Midwest towns, 12/15, p. 7
Pricing studies like Std. of Ohio's help oil industry improve its marketing practices, 12/15, p. 21, Edit.
Product prices reduced .1¢ as freight rates change, 8/25, p. 53
Relationship of prices, profits, petroleum production emphasized in API paper by Robert G. Dunlop, 11/17, p. 40
Residual demand is off in all areas as prices ease, 11/10, p. 63
Rizley warns of price fixing threat by law, 12/15, p. 15, Castle
Socal boosts heavy fuel, third-grade 'gas' prices, 8/11, p. 18
Socony's reduction in tank wagon and tank car prices in East followed by other majors, 12/8, p. 14
Southern minerals backtracks on crude increase, product price trend is lower, 10/27, p. 41
Southwest returning to 'normal' practice of absorbing freight differential in price quote, 9/1, p. 5
Special session opposes price controls for oil & Heselton joins fight against regulation, 7/28, p. 11
State contends retailer group controlled prices, 12/8, p. 18
Status of crude postings unchanged; No. 2 cargoes bring 9¢ at Gulf, 11/3, p. 47
Talk of oil heat price fall off due to lack of storage, 11/10, p. 5
Tetraethyl lead price boosted 7% by DuPont, 12/1, p. 16
Tetraethyl lead prices boosted 7% by Ethyl, 11/24, p. 13
Truman's proposal for price roll-back & rationing get cold shoulder from Congress, 8/4, p. 14
U.S. oil price investigation is resumed in L.A., 9/29, p. 13
Wax prices drop, stocks mount, 11/10, p. 5
Wilson, Dr. Robert E., says oil, chemicals lead in industry growth in support of low price levels, 11/17, p. 38

BASING POINT SYSTEM - (See also ROBINSON PATMAN ACT, BASING POINT PRICE SYSTEM, FEDERAL TRADE COMMISSION and RAILROADS - Freight Rates)

An analysis by FTC's economist may be calculated to counteract current comment, 9/22, p. 5
Basing point price issue shown little interest by oil men, 8/18, p. 7
Boatwright named Senate Basing Point study advisor, 10/6, p. 16
Boosts freight charges, has little effect on oil equipment, 8/11, p. 15
Capehart group to hear oil jobber, refiner give views on basing point, 11/24, p. 13
Explanation of first system, 11/3, p. 16
FTC basing point policy may force oil pricing shift, 10/20, p. 11
FTC explanation of pricing views shows need for action by Congress, 10/20, p. 20, Edit.

PRICES - Cont'd

BASING POINT SYSTEM - Cont'd

FTC willing to try conference method on working out problems, 12/1, p. 14
Indpts. say system ruinous on oil, 12/8, p. 11
Indiana jobbers ask legislation to clarify Robinson Patman Act, 10/13, p. 20
Inquiry into effects of pricing decisions gets boost from chairman of probers, 11/10, p. 17
Oil will watch closely Nov. 9 query, 11/3, p. 15
Pricing decisions draw fire of FTC's Mason, 10/27, p. 17
Severe industry upheaval likely with base pricing demise, 11/24, p. 7
Testimony indicates basing policy hikes oil equipment prices, 11/17, p. 18

CRUDE OIL

Chances of general increase in prices getting dimmer and dimmer, 7/21, p. 5
Failure of crude price increase to stick proves law of supply-demand works, 12/22, p. 19, Edit.
Indpt. producers hope others will follow Phillips crude boost, 10/6, p. 60
Oil price policy clarification considered by Economic Co-operation Admn., 8/11, p. 12
Oil Security Planners see advantage in recent 35¢ crude price increase, 10/6,p.11
Phillips ups crude 35¢ - other majors balk, 9/29, p. 11
Price boost unlikely, 9/8, p. 9
West Coast major oil company spokesmen see no crude hike, 12/1, p. 9
Zanesville district Penn. grade crude cut 54¢ per bbl., 11/17, p. 18

FUEL OIL

Burning Oil Distributors Assn. develops plan to reduce fuel oil delivery costs, 12/1, p. 17
Demand for higher fuel oil margins expected to spread, 12/8, p. 7
Fuel oil distributors tighten credit policies, NPN survey shows, 12/1,p.42
Heavy fuels prices decline with storage tanks reported almost overflowing in some areas, 7/7, p. 45
Jobbers gas, fuel oil spread upped by 5 majors, 12/1, p. 11
Jobbers up heating oil prices, 11/17,p.5

GASOLINE

Critical farm supply period passed midwest jobbers refusing to pay above-market prices for 'gas', 8/4, p. 5
Esso changes widen jobber spread on gas, fuel oil, comments, 11/24, p. 11
Esso discontinues T.W. differential in 3 areas, 9/8, p. 55
Midwest supplier ups jobber gas margin, 10/13, p. 16
Retail gas dealer denies assn. fixed prices, 12/1, p. 12

PRICES - Cont'd

GASOLINE - Cont'd
Skelly ups gas margins, sets minimum on fuel oil, comments, 11/17, p. 14
2-state Midwest survey shows many suppliers boost margins, 7/7, p. 11

See FEDERAL GOVERNMENT - Committees

SINCLAIR, J.W.
Union Oil Co. of California, Automotive Mgr., gives paper on accident prevention at API meeting, 11/10, p. 52

SINCLAIR OIL COMPANY
Drops Arkansas marketing operations; 2 bulk and 10 service stations sold to Green Oil Co., 9/8, p. 19
Ends direct marketing in Louisiana and New Mexico, 12/1, p. 21
No comment on report of sales agreement with Pemex for 9,800,000 bbls of crude, 8/18, p. 13

SINCLAIR REFINING CO.
Disposes of marketing facilities in Kentucky and New Mexico, 10/13, p. 20
Given National Safety Council Award for film, 12/22, p. 17
Has policy of dropping unsightly units of roadside gas accounts, 12/22, p. 5
Making terminal out of Coffeyville plant, 11/24, p. 14

SINCLAIR REFINING CO. - Cont'd
Moves to new labs at Harvey, Illinois, 8/11, p. 18
New research laboratories opened at Harvey, Illinois, 10/27, p. 37
Prepares to shut down Sand Springs refinery, 12/8, p. 12
Taber, George, Jr., retired as exec. vice pres. in chg. of manufacturing, succeeded by W.R. Argyle, 10/6, p. 61
Will furnish Detroit's bus system with gas, 11/24, p. 15

SKELLY OIL CO.
Increases jobber margins, establishes guaranteed margins on furnace oil; comments, 11/17, p. 14

SKINNER, OSMUN
Supports need for increased gasoline margins at Penn. Petroleum Assn. meeting, 10/13,p.26

SMALL BUSINESS - (See also FEDERAL GOVERNMENT - Committees, Wherry Committee, Ploeser Committee)
Ploeser House Small Bus. Comm. witnesses hit oil and accessory companies for monopoly, 9/15, p. 15
Ploeser witnesses ask retail-wholesale divorce, 9/29, p. 13
Ploeser witnesses would have oil give up TBA; urge wholesale-retail divorcement, 9/15,p.15
Wherry Committee term ends Jan. 1949, but Wherry predicts continuation, 7/7, p. 18
Wherry plans to study ways to aid new oil businesses obtain supplies, 7/7, p. 18

SOCIETY OF AUTOMOTIVE ENGINEERS
Combined tractor-diesel engine meeting set, 9/1, p. 53
Georgi, Quaker State Oil Refining Corp. tells of characteristics of motor oil affecting consumption, 11/10, p. 21
Pigott, pres., sees higher compression automobile engines in 1949, 9/22, p. 21

SOCONY-VACUUM OIL COMPANY
Anderson sees plenty of business for commercial carriers, 10/20, p. 18
Anderson, Gen. Traffic Mgr., tells of for-hire carrier and his place in petroleum hauling at API meeting, 11/10, p. 57
Awards Lehigh University research fellowship; gives award for new suggestions, 10/27,p.17
Begins construction of products pipe line to carry products from Portland, Maine to Bangor, 7/14, p. 16
Change gas prices to meet Esso tank wagon increases, 12/1, p. 11
Chief economist charts plan to study weather effects on oil demand as key to supply-demand balance; charts, 10/13, p. 51
Expands bulk plant (Port Socony storage terminal), 9/29, p. 18
Higher transport, wage cost cited in price rise, 7/21, p. 49
Holaday says it would cost $90 million for refinery to turn out high octane gas, 12/22, p. 5
Lewis, K.H., purchases Koenig-Farrell bulk plant, 10/20, p. 9

SOCONY-VACUUM OIL CO. - Cont'd
Pipe line (124-mile) in Maine promises more marketing flexibility, 8/18, p. 27
Pushes pipe line for central New York, 8/18, p. 20
Reduction in tank wagon and tank car prices in East followed by other majors, 12/8, p. 14
Sets up 4 Army specialist units, 10/27,p.15
Tie-in sales of TBA condemned by Nickerson, director in charge of marketing, 12/15, p. 23, Sturtevant
War-industry experience gives Jennings background needed for new NPC post, 8/11, frontispiece
Will acquire stock interests in Arabian American Oil Co. as result of red line settlement, 11/24, p. 18

Klemme, Don A., head of safety section, 12/22, frontispiece
Research lab project delayed, 9/15, p. 46
To drop plans for construction of $80 million hydrocarbon synthesis plant, 8/25, p. 16
To start work on new research center, 8/4, p. 59

STANOLIND OIL PURCHASING CO.
3 executives promoted, 7/7, p. 13

STATE GOVERNMENT
11 states require separate pumps, meters for split heating oil, gasoline delivery, 9/29, p. 34
State legislative agenda include gas tax boosts, other oil laws, list by states, 12/1, p. 15
States to get tidelands in 1949, attorneys told, 12/1, p. 12
10 states prohibit self-serve stations, 4 may enact legislation, per NPN survey, 8/18, p. 30
Thompson, E.O., tells how state conservation under Compact serves industry, nation, 9/15,p.42

STATISTICS - (See also API - Statistics, for same)
Increase in volume of traffic on highways in U.S. exceeds gasoline consumption gains (tables), 9/15, p. 28
Report to show strike effects, prepared by Oil Producers Agency of California, 11/24, p. 9
Sales of LP-Gases by uses and regional distribution, 1946-47 (chart), 9/29, p. 41
Six largest oil corporations control 62% of petroleum refiners' assets, FTC told, percentages listed, 12/8, p. 18
Study shows comparative oil, gas, coal heating costs, 9/1, p. 52

STEEL
Allocation amendment has Washington embarrassed, 7/7, p. 11
Allocation for marketing urged by jobbers, 9/8, p. 18
Allocation for oil, LP-gas marketing dealt blow, 9/29, p. 14
Allocation for terminal tankage has chance of adoption if given support, 11/24, p. 15
Casing and pipe quota for export increased by Commerce Dept., 7/14, p. 18
Chances for more oil steel pacts seen better, 11/10, p. 17

STEEL - Cont'd
Commerce group to get oil storage steel plans, 9/22, p. 14
81-tanker steel allocations program seen set, with only signatures of Clark, Sawyer needed, 9/1, p. 12
Final rejection seen for voluntary steel plan for farm, home storage, 10/13,p.17
Goes along on tanker program, but balks on allocations for oil line pipe, 8/18,p.14
Heavier exports to Venezuela may be in offing; Commerce Sec. has representatives check steel requirements, 10/13, p. 9
Marketing steel proposals may reach Advisory Committee within 2 weeks, 8/4, p. 13
Meeting on steel set, continuation of curbs on oil exports asked, 12/15, p. 19
New FOB price system boosts freight charges, has little effect on oil equipment, 8/11, p. 15
Not much point in having voluntary oil-steel programs unless something done quickly, 7/21, p. 5
OIC-Steel Advisory group showdown on small business needs seen near, 8/11, p. 15
OIC submits to Atty. Gen. four names as advisory committee for voluntary agreement on allocations, 8/11, p. 16
Oil-steel pact extension hearings set for Dec. 8-9, 12/1, p. 21
Ploeser group hears complaints in two cities on exclusive dealing, inability to get steel, 10/13, p. 18
Prospects seen better for allocations for oil terminal tanks, 9/15, p. 18
Senate Small Business Committee to concentrate on casing distribution, 8/25, p. 14
Southwest majors offering bonuses to indpt. drillers who furnish own casing, 9/1,p.5
Steel for oil allocation plans inch ahead; two public hearings set for early August, 7/28, p. 15
Supply will continue tight for next year or two, no encouragement for discontinuing allocations, 9/8, p. 9
Washington not optimistic about chances for a distribution agreement with steel producers, 12/29, p. 5

STORAGE TANKS
Air movers vs. steaming is discussed in gas-freeing of various type tanks by Black at API meeting, 11/17, p. 28
Almost half of jobbers pushing storage expansion to minimize winter hardships, 8/4, p. 37
Because of heating oil stocks building up may have to switch from gasoline tankage to heating oil, 8/25, p. 5
Bulk plants still custom-built but wide variance on necessary storage facilities found, 12/8, p. 15
Commerce Dept. to try to secure steel supply for oil storage tanks, 10/27, p. 12
Due to storage fill-up of residual fuel oil, difficulty in finding buyers (East Coast), 8/25, p. 5
Jobber campaigns to increase consumer fuel oil storage showing good results, 7/14, p. 35

STORAGE TANKS - Cont'd
Larger station tanks planned, jobber survey shows; tables show size and percentage, 9/8, p. 37
LPG Assn. warns against use of war surplus containers for transportation of LPG, 7/21, p. 16
LP-Gas men told to meet demand by utilizing production with more storage, 9/22, p. 54
Magnesium cathode for retarding corrosion of underground tanks favorable to s.s. owners, 8/18, p. 5
Plan for terminal, bulk storage tank steel given remote chance of being approved, 10/13, p. 17
Prospects seen better for steel allocations for oil terminal tanks, 9/15, p. 18
Report from London—Protective coating saved tanks in war, but better method needed which will not cause corrosion, 8/11, p. 25, WCP
Use of larger storage tanks plus year around markets solve problem of winter shortages of LP-gas, 12/1, p. 44

STOVES - See OIL BURNERS & OTHER HEATING EQUIPMENT

STRIKES - (See also UNIONS)

GENERAL
Deep Rock grants wage increases to production pipeline and refinery employes, 8/18, p. 17
NPN summary of products losses due to labor disputes to date in 1948, 8/11, p. 14
New York City officials alarmed over prospects of tug boat workers strike, 12/22, p. 13
N.Y. truck drivers strike not affecting deliveries of pet. products, 9/8, p. 16
Striking oil union members should consider own position as war threat continues, 10/13, p. 23, edit.
Tanker companies say NMU should pay for losses due to strike, 7/21, p. 15
Texaco union gives go-ahead on all-out strike, 10/20, p. 12
W. Coast—Civil Liberties Union criticizes CIO violence, 9/22, p. 11

PRODUCT LOSSES
Product losses, due to labor disputes so far in 1948, 8/11, p. 14; 8/18, p. 17; 8/25,p.15; 9/1, p. 13; 9/8, p. 16; 9/15, p. 14

SOHIO
Cleveland & Toledo refineries closed by OWIU strike, 7/14, p. 17
"Fringe issues" discussed at Aug. 16 conference, 8/18, p. 17
OWIU strike against Sohio plants in Cleveland and Toledo ended, 10/13, p. 15
Rejection of OWIU demand for 40% discount for Sohio's CIO workers resulted in Sohio strike, 7/28, p. 12
Rejects 9 points of OWIU proposal in Cleveland-Toledo refinery strike; proposals listed, 8/25, p. 15
Settles with OWIU at Cleveland, 10/6, p. 17
Strikers charged with boycott as they picket Pure Oil dock; NLRB goes to court, 9/1, p.13
Two refineries still closed by strikes; loss 2,040,500 bbls., 7/21, p. 15

STRIKES - Cont'd

WEST COAST
Ball, Max W., Dir. of OGD, says long strikes on W. Coast would be disaster, 9/8, p. 15
Bridges' longshoremen lead riot at Richmond, 9/15, p. 11
Companies stand firm on violence issue, 10/6, p. 17
Creates ocean of low octane gas, Avgas commitments heavy, 10/27, p. 5
Figures on output in effort to keep product flowing; (6 company figures), 10/6, p. 18
Hope for early end to W. Coast strike seen by companies, OWIU, 10/27, p. 13
Large portion of strike settled, negotiations continue, 11/17, p. 16
Leftist paper claims sell-out in OWIU lost western strike, 12/8, p. 9
Letters from coast oil employes oppose strike, denounce tactics endorsed by OWIU leaders, 10/6, p. 23, Edit.
Lloyd, Ralph B., assails strike, 11/3,p.13
OWIU confidence fading, increased violence shows, 10/13, p. 15
OWIU and Union Oil resume negotiations to settle strike, 12/22, p. 13
Public opinion is that OWIU would accept 12.5¢ offer if they could without losing face, 10/13, p. 9
Rebuilding Avgas stocks big problem on W. Coast, 10/20, p. 9
Refiners run at 67% despite strike, 9/22, p. 11
Rehiring of workers major question in settling oil strike, 10/20, p. 12
Richfield & Texaco refineries ready to go on stream; walkout costs 3 million in wages, 9/29, p. 15
Riot at Richmond puts it up to Knight to resist Harry Bridges, etc., 9/22, p. 19, Edit.
Settlement reaches tentative agreement stage, 11/3, p. 19
Strike cuts W. Coast product output by 65%; 6 of 7 major oil companies are affected, 9/8, p. 15
Strike darkens distillate fuel supply outlook, 9/22, p. 9
Strike destructive for workers & companies, OWIU to continue as principal union, 12/1, p. 9
Strike of high-paid oil workers on W. Coast raises question about union leaders' motives, 9/15, p. 23, Edit.
Strike in 2nd week; NPC group leaders warn of peril of prolonged strike, 9/15, p. 11
Tide Water Avon strike is ended; violence flares at Union Oil plant; strike developments, 11/24, p. 14
Union Oil, Richfield disputes still unsettled in strike, 11/10, p. 18
Union Oil sues OWIU local for $4 million, 9/15, p. 13
Viewing the strike and reactions to the election, 11/10, p. 9
Vigorous competition returns as strike diminishes rapidly; table of strike effects, 11/24, p. 9

SUN OIL COMPANY
Dunlop, Robert, pres., gives relationship of prices, profits, petroleum production at API meeting, 11/17, p. 40
Dunlop, pres., says oil profits price trend may drop, 12/22, p. 11
Dunlop, pres., writes, higher U.S. taxes on oil would hit user, 9/1, p. 18
Pew, Howard (Director), says inflation makes high profits necessary, 10/20, p. 40
Plans to build 9 natural gasoline plants, 7/14, p. 16
Reactivates Army unit, plans to sponsor another, 9/8, p. 22
Saurino, Benedict, analysis shows world tanker fleets increased 63% in past 9 years, 8/4, p. 41
Signs contract for $16 million refinery project, 9/15, p. 20

SUPERIOR OIL CO.
Bid for concession rights in Persian Gulf based on changed concept of territorial waters, 7/28, p. 5

SUPPLY-DEMAND
ASPPA double-checking supply situation, 8/18, p. 18
Barring any untoward developments, military stocks may reach working maximum by year's end, 8/25, p. 5
Better oil supply will mean fewer attacks in Congress, 9/1, p. 7
Compact committee sees 1949 demand for oil 6% higher than last year, 12/15, p. 16
Comparison table of IOCC & IPAA supply-demand forecasts, 12/15, p. 16
Declines in refinery crude runs reported by API, 12/15, p. 43
Distillate stocks ahead; crude runs small gain; supply plan chairmen to meet, 9/8, p. 18
Europe's refining capacity will have increase in ECA financing and decline in products transactions, 12/29, p. 7
Failure of latest crude price increase to stick proves law of supply-demand works, 12/22, p. 19, Edit.
First quarter demand in 1949 to be 65% over 1941 (chart), 9/29, cover
Heating oil stocks high, supply outlook seen good; gasoline allocations relaxed, 8/25,p.11
'Historical basis' for allocating scarce products developed among rural Neb. jobbers, 8/11, p. 5
Imports gain reported; 5.8% increase in demand forecast for 1949 by Bureau of Mines; chart, 12/29, p. 16
Improved oil supplies seen this winter by House Commerce (Wolverton) Committee, 8/18, p. 12
Increased volume of gasoline, heating oil, seen for Midwest as new pipe line opens, 7/14,p.18
IPAA forecasts 1949 increase of 8.8% in domestic demand for oil products, 12/15, p. 17
Interstate Oil Compact Commission's Advisory Committee urges boost supply at N.Y. meeting, 9/1, p. 11
Interstate Oil Compact's Economics Committee report on supply-demand, 9/8, p. 47

SUPPLY-DEMAND - Cont'd
IOCC reports show close balance on supply-demand for winter; tables, 9/8, p. 45
McCollum warns of govt. control at API, sees enough oil for U.S., summary of other API talks, 11/17, p. 13
Myers, Sen., to ask for continuation of Senate Commerce Oil Subcommittee to keep eye on supply-demand, 12/1, p. 5
Mid-West supplies affected by four factors, says Kennedy of Continental, 10/6, p. 59
Military seeks opinion on oil buying system, 12/15, p. 24
Military sees industry coming through on oil, 8/11, p. 11
Nat. Petroleum Council meeting highlights "general outlook continues good", 8/4,p.11
NPC names Dist. 3 group; industry draft seen unnecessary now, 9/1, p. 14
NPC names members to Districts 1 & 2 supply plan groups, 8/25, p. 20
NPC & NOJC officials warn against advertising and public statements that oil shortage over, 9/1, p. 11
New York state supply easing, competition in form of downward prices may begin, 8/25, p. 5
Oil can meet 11% distillate fuel demand boost but kerosine could cause trouble, Burt of Jersey Std. says, 12/15, p. 43
Oil demand falls below Bureau of Mines estimates, residual consumption off 5%, 11/10, p. 16
Oil economists watch stocks for clues to future supply trends, 10/27, p. 5
Oil equals coal in providing U.S. with energy supply, 10/13, p. 39
OGD asserts improving petroleum supply no longer makes it necessary to defer bus conversions in Washington, 12/15, p. 14
Oil & Gas Division sees no oil shortage in next 6 months, 12/15, p. 15
OIIC's 3rd version of petroleum facts completed, "Current Facts on Pet. Supply & Demand", 8/18, p. 44
Oil supply exceeds demand with product prices continuing to ease in several marketing areas, 12/22, p. 13
Oil's supply improved, Boatwright tells API meeting, 11/10, p. 14
Optimism over the general supply picture turning sharply upward throughout the Midwest, 7/7, p. 9
Penn. bright stocks gain, 9/1, p. 14
Per capita use of oil up 60% over prewar, 7/28, p. 43
Refinery yields shift; fuel oil stocks build up; gasoline output down, 8/11, p. 13
Report increase of 18% in average daily refinery runs, 12/15, p. 43
Report of Interstate Oil Compact's Economics Committee, estimates of demand, 12/15, p. 46
Suppliers drop or relax 'gas' allocation programs; same on fuel oil, 9/15, p. 20
Supply of oil products is good, meeting of Georgia jobbers told, 7/28, p. 17
Text of DJ anti-trust clearance on Supply Plan, 8/18, p. 42

SUPPLY-DEMAND - Cont'd
Voluntary Oil Allocations Agreement may be criticized by DJ in view of optimism in oil supply, 12/8, p. 5
Voluntary oil supply plan approved by Atty. Gen., 8/11, p. 11
Voluntary supply plan under Taft Act, complete text, 8/18, p. 41
W. Coast refiners run at 67% despite strike; public supplied with enough oil products, 9/22, p. 11
Western oil men welcome growth of product stocks; hardship and rationing crossed off list, 8/4, p. 9

ANTIFREEZE
Demand increase of 6% predicted, 9/22, p. 16

CRUDE OIL
Crude output sets all-time record, exceeds World War II peak by 11.3%, 8/18, p. 13
Haifa refinery closed by lack of crude oil; Israel seeks U.S. aid in locating supply, 8/18, p. 11
Industry steps up efforts on long-range oil supply, 7/28, p. 13
OIIC brochure tells public what oil is doing to supply record demand, 7/28, p. 18
Reed, Senate Commerce Oil Subcommittee, sees oil-use control if supply falls any further behind demand, 7/7, p. 16
Voluntary oil supply plan pushed by OGD & industry; 3 of 5 regional committees activated, 8/18, p. 11

FUEL OIL
Allocations lifted in Minneapolis-St. Paul area, 9/15, p. 5
Improved supply should mean less work for coordinators, 7/28, p. 7
Local oil burner counts may help fuel oil marketers estimate demand, 10/6, p. 54
Michigan fuel oil demand may be indirectly eased due to improving natural gas supply, 7/21, p. 5
Midwest distributor says suppliers & distributors should discuss supply-demand picture, 12/8, p. 5
Temperature dip should cut fuel oil stocks, 12/29, p. 16

GASOLINE
Allocations relaxed by some suppliers to end of month; crude output record set, 8/25, p.11
Gas. supply optimism grows despite big demand, 7/14, p. 15
Heavy July 4 travel brings only minor spot shortages, 7/7, p. 15
Record gasoline output continues to lend optimism to supply picture, 7/21, p. 13
Test to supply gas for enlarged farm demand is here as giant combines move out of Okla. & Texas Panhandle into Kansas, 7/7, p. 9

LP-GAS
Lack of storage may bring repeat on LP-Gas shortage, dealers told, 7/7, p. 21
NPC group forecasts enough LPG in 1948-1949 except for seasonal peaks; text of report, 8/11, p. 36

SUPPLY-DEMAND - Cont'd

LP-GAS - Cont'd
NPC's LPG Committee urges broad storage expansion program to save maximum volume to meet demand, 8/4, p. 44

SURVEYS & QUESTIONNAIRES
11 states require separate pumps, meters for split heating oil, gasoline delivery-NPN survey, 9/29, p. 34
IOCC releases detailed survey of classification and availability of nation's stored refinable crude, 7/21, p. 14
NPN survey shows jobber campaigns to increase fuel oil storage showing good results, 7/14, p. 35
NPN survey of 618 gasoline marketers; few gasoline jobbers by-pass bulk plants, 8/11, p. 34
NPN surveys show oil leads other U.S. industries on Military leave policies, 8/4,p.16
NPN's summary of products losses due to labor disputes to date in 1948, 8/11, p. 14
NPN's survey of containers in use (table), 8/4, p. 34
"Pathfinder" magazine study shows 55.5% of 1948 vacationers to use autos; 25.9% to head west, 7/7, p. 42
10 states prohibit self-serve stations, 4 may enact legislation, per NPN survey, 8/18, p. 30

SWENSRUD, SIDNEY A.
Gulf Oil pres. says indpt. marketers gain ground, 12/15, p. 14
NPA meeting—service stations with one supplier an economic necessity, says Swensrud, 9/22, p. 20
Text of address made at NPA meeting—answering charges made against oil industry, 9/29, p. 23

SUTHERLAND, C. AUSTIN
Mgr. Nat. Tank Truck Carriers, Inc. writes article "Oil Tank Truckers Expect to Set New Records in 1948", 7/28, p. 19

SYMON, BEN G.
Nat. Lubricating Grease Institute pres., 11/24, frontispiece

SYNTHETICS
New synthetic alcohol produced at Esso plant, 12/8, p. 46
Schroeder, Chief of Office of Synthetic Liquid Fuels, says synethtic fuel plants essential to U.S., 12/8, p. 12
Shell Chemical new plant produces 50 tons daily of glycerine synthetically, 9/29, p. 18

FUEL
Legislative study urged on synthetic fuels, 9/15, p. 40

NATURAL GASOLINE
Carthage Hydrocol speeding work on plant at Brownsville, 8/25, p. 16

TAFT-HARTLEY LAW
Book: Operating under the Taft-Hartley Act, by Malin & Unterberger, 11/10, p. 51
Forthcoming supreme court rulings on labor will affect oil industry, 12/1, p. 19
Most important decisions regarding Taft-Hartley law yet to come, 7/7, p. 34
Repeal won't solve legislative problems of labor, 12/8, p. 17, Scheibla
Tightening up of T-H Act proposed in Congressional circles, 9/29, p. 36

TANK CARS
API issues tentative code on tank car calibration, 11/17, p. 38
Future short supply may bring spotty shortages of kerosine & other distillates, 8/25, p. 5
New tank car orders dip as output hits record, 7/28, p. 20
Reduction in tank wagon and tank car prices in East followed by other majors, 12/8, p. 14
Sales training schools urged to develop more farm business, for tank wagon salesmen, 12/15, p. 9
Tank truck size argument shows need for majors to eliminate basic causes of jobber irritation, 12/29, p. 17, Edit.

TANKERS & TUGS
ECA assistance on rates may be asked for by tanker operators, 9/15, p. 55
81-tanker steel allocations program seen set, with only signatures of Clark, Sawyer needed, 9/1, p. 12
Govt. shipping experts say building of 50,000 ton tankers in offing, 9/8, p. 9
Great Lakes tanker companies say NMU should pay for losses due to strike, 7/21, p. 15
Lake tankers end season on Great Lakes, 12/22, p. 15
LST is being converted to Great Lakes oil tanker, 9/8, p. 16
NPC group sees enough tankers next winter, 7/21, p. 13
Norway & Britain, etc., want relaxation of rule re tanker tonnage to haul Marshall Plan oil purchases, 8/4, p. 5
Overseas Tankship Corp. orders 10 sea-going tankers, 8/18, p. 14
Plenty of tankers seen to haul oil this winter; problem on rates, 10/27, p. 12
Tanker rates move upward for single voyage, 11/10, p. 58
USMC may ask that Navy give up 55 large tankers, 12/8, p. 13
USMC offering $2.5 million per vessel if build T5 according to govt. blueprints, 9/1, p. 7
U.S. Tanker fleet of future fewer but bigger, 11/17, p. 5
World tanker fleets increased 63% in past 9 years, analysis by Saurino of Sun Oil shows, 8/4, p. 41

TAX INSTITUTE, INC.
Barker, pres., urges tax men to seek equality, better administration of laws, 12/22, p. 15
Tax men urged to seek equality, better administration of laws, says Barker, 12/22, p. 15

TAXES

GENERAL
Co-ops find private competition tough despite tax advantages, 10/13, p. 25
Lincoln, Neb. council scraps curb cut tax law, 11/24, p. 14
Nebraska court rules against tax on curb cuts along business streets, 10/20, p. 15
Ploeser hopeful Congress will do something with his bill to exempt from taxes first $25,000, 12/15, p. 7
State legislative agenda include gas tax boost, other oil laws, list by states, 12/1, p. 15
Tax men urged to seek equality, better administration of laws, at meeting of Tax Institute, Inc., 12/22, p. 15
Texas Soldier bonus plan may boost taxes on oil, 12/8, p. 44
Treasury Dept. tax planners to repeal or reduce 27.5% oil depletion tax allowance, 12/1, p. 5

DIVERSIONS
Mass. oil men back antidiversion move in revenue, 10/20, p. 41
Oil men fight for better transportation system as they oppose diversion of gas tax money, 9/8, p. 23, Edit.

FEDERAL
Chances of U.S. 'gas' tax repeal soon seen slight, 9/29, p. 7
Crosser, Rep., advocate of single tax theory, 12/29, p. 12
Gasoline tax receipts up, 7/7, p. 34
Higher U.S. taxes on oil would hit user--Dunlop, 9/1, p. 18
Joint federal tax conference discusses federal tax outlook for 81st Congress, 12/15, p. 11
Murray, Sen., aims at ousting taxes on pipe line transportation, lube oils, tires & tubes, 11/10, p. 5
1.5¢ tax on gasoline may be reduced by next Congress but Knutson Committee would never discontinue it, 8/18, p.5
U.S. 'gas' tax take gains, 9/8, p. 40
Universal Oil Products Co. granted exemption, 10/13, p. 63

MUNICIPAL
Oil men in Lincoln, Nebr., get injunction to stymie curb cut tax, 7/14,p.20

STATE
Arkansas oil dealers oppose gasoline tax increase, 12/15, p. 20
Arkansas s.s. operators fear boost in state gasoline taxes, 8/25, p. 5
End of state avgas tax urged, 8/11,p.16
Kansas may have another tax on oil unless checked now, 9/1, p. 5
Louisiana 'gas' tax boost cuts sale in border town, 8/25, p. 13
Maine oil men seek reduction of gas tax increase, 11/24, p. 16

TAXES - Cont'd

STATE - Cont'd
Midwest oil men rally forces to fight gas tax increases, 10/27, p. 7
Move to up New York state gas tax seen, 12/22, p. 15
New Jersey tax increase dead for purpose of veteran's bonus, 9/8, p. 41
Taxes being used for non-highway purposes, says chairman of Nat. Highway Users Conference, 7/28, p. 20
Tennessee s.s. operators fear boost in state gas taxes, 8/25, p. 5
Texas election for Legislature issue will be increasing gasoline taxes, 8/4, p. 5
$2,038,460,000 ~~in state~~ highway user taxes, including gas taxes diverted in last 13 years and spent for other purposes, 7/28, p. 20

TAYLOR, REESE H.
Pres. of Union Oil of Calif. has resigned fr. API Board of Directors Public Relations Committee, 7/14, p. 13

TELEVISION
Texaco show "Texaco Star Theater" to go on video Net in Midwest, 7/21, p. 16

TENNESSEE OIL MEN'S ASSN.
Plan support of move for divorcement law at meeting, criticize 1% allowance for shrinkage, 11/3, p. 20

TERMINALS - See BULK PLANTS - Terminals

TETRAETHYL LEAD
DuPont to boost price of antiknock mixture, 8/25, p. 16
Ethyl boosts prices of antiknock mix effective Oct. 16, 8/11, p. 12
Increased amount available in 1950—Ethyl Corp. expanding facilities at Baton Rouge, 9/22,p.5
New Ethyl contracts have quantity range clause, 9/22, p. 16
Price boosted 7% by DuPont, 12/1, p. 16
Prices boosted 7% by Ethyl, 11/24, p. 14

TEXAS
Clark picks loophole for squeeze play on tidelands, 12/29, p. 7
Court battle looms as 15 Texas oil wells are ordered shut down, 12/1, p. 13
East Texas oil field production will be reduced, 11/24, p. 15
Election for legislature issue will be increasing gasoline taxes, 8/4, p. 5
Houston gets its first self-serve gas station, 9/29, p. 12
Porter, H.J., running for U.S. Senate, is firm believer of dissolution of NPC, 9/29, p. 7
Prospects look good for passage of unitization law re oil fields, 9/1, p. 5
Soldier bonus plan may boost taxes on oil, 12/8, p. 44
Texas officials blast U.S. tidelands suit, 12/29, p. 13
To push gasoline, butane antitrust actions, 7/7, p. 22

TEXAS COMPANY, THE
Again expands its research facilities, 7/21, p. 12
Closes refinery at Galena Park, 8/11, p. 16
Establishes graduate fellowship in chemical engineering at U. of Oklahoma, 12/1, p. 16
Knight gets go-ahead on all-out Texaco strike, 10/20, p. 12
Makes tests on Middle East crude, 12/15,p.43
National Labor Relations Board dismisses union complaint on Texaco, rulings listed, 12/8, p. 17
New station at old site produces tenfold increase in gallonage, floor plan, pix, 12/8, p. 24 and Cover
OWIU would not hesitate to strike if joint talks come to end, 11/3, p. 9
Pemex-Texas contract negotiations rupture, Mexican reports state, 8/4, p. 43
Plans refinery office bldg. at Eagle Point, N.J., 9/22, p. 21
Reach agreement with OWIU on new work contract, 12/1, p. 14
Sponsors Saturday afternoon broadcasts of the opera for ninth consecutive season, 12/8, p. 12
Television show, "Texaco Star Theater" to go on video net in Midwest, 7/21, p. 16
Texaco P T antifreeze will not be sufficient to meet need until about 1952, 10/6, p. 18
Will modernize its 32-year old Electra gasoline plant in Fort Worth, 7/14, p. 44

TEXAS BUTANE DEALERS ASSOCIATION
Told lack of storage may bring repeat on LP-Gas shortage, dealers told, 7/7, p. 21

TEXAS EASTERN TRANSMISSION CORP.
Hargrove, pres., tells API meeting to de-emphasize heating oil sales, 11/10, p.39

TEXAS EMPIRE PIPE LINE CO.
To begin construction of new crude line in Illinois, 11/3, p. 24

TEXAS RAILROAD COMMISSION
Battle over oil imports nears as industry lines up on issues, one is action of Texas commission, 12/22, p. 7
Heyser field operators win gas flaring case, 12/8, p. 18
Murray, W.J., Jr., becomes youngest chairman, 12/22, p. 14
Now it is General Thompson instead of Col.; Gov. Jester bestows Major General commission, 9/8, p. 21
Orders 15 oil wells shut down in fight against gas flaring, 12/1, p. 13
Reports on oil supply-demand outlook, prices ease in marketing areas, 12/22, p. 13
26 oil fields, including East Texas, face shutdown orders in Commission flare gas drive, 12/15, p. 19

THOMPSON, ERNEST O. - (See also TEXAS RAILROAD COMMISSION)
Tells how state conservation under Compact serves industry, nation, 9/15, p. 42

THOMPSON TOLEDO VITAMETER CORP.
Consumer acceptance, fleet saving shown in antiknock injection progress report; charts, 12/29, p. 20, Ridder
First public test of fuel injection for cars begins this week in Ohio, 9/15, p. 49
Public introduced to fuel injection for cars; stations to sell liquid & vitameter, 9/8, p. 20
Third grade of gasoline not being promoted for use with vitameter, Thompson declares, 12/29, p. 20
Thompson Products, Inc., parent company, gives press preview of fuel injection system, 9/8, p. 20

TIDE WATER ASSOCIATED OIL CO.
Observes 70th anniversary, Pres. Humphrey speaks, picture, 12/1, p. 17
Refinery being expanded with new cat cracking unit, 12/8, p. 12

TIDELANDS
Boundary definition for Cal. tidelands parley set, 9/15, p. 21
Clark picks loophole for squeeze play on tidelands, 12/29, p. 7
Congressional stalemate looms on tidelands issue, 12/8, p. 7
Co-ops to battle quit-claiming of tidelands, 8/25, p. 14
DJ starts action in Supreme Ct. to grab tidelands of Texas and Louisiana for U.S., 12/22, p. 14
Ickes favors producing tidelands of Cal. under federal control, 10/20, p. 7

Regardless which party organizes Congress, will be early bid to push quitclaim legislation, 8/11, p. 5
Special session of Congress may see price & tidelands fights, 7/21, p. 11
States to get tidelands in 1949, attorneys told, 12/1, p. 12
Texas officials blast U.S. tidelands suit, 12/29, p. 12
Wallace party backs federal tidelands grab, 7/28, p. 16

TIRES, BATTERIES AND ACCESSORIES
Aetna Oil expands TBA program; new distribution chain being set up, 10/13, p. 40
Aetna Refining Co. gets state distributorship for tires and launches program for entire TBA, 7/7, p. 34
Automotive Service Industries discriminating, Midwest TBA men say re trade show, 8/25, p. 16
Battery advertising needs more punch this fall, 9/1, p. 5
Complaints that exclusive dealing contracts 'control' TBA items to top Ploeser hearings, 9/1, p. 16
Credit men stress need for aiding jobbers as TBA programs expand, 11/24, p. 17
Efficiency moves into TBA warehouse, 12/29,p.27, Vogt, first of two articles
Forecast 2 million gain in tire sales during 1949, 12/29, p. 28
Group meeting program is set, program schedule, 10/27, p. 12

TIRES, BATTERIES AND ACCESSORIES - Cont'd
Increasing number of motorists buy tires at service stations, chart, 12/1, Cover
Leigh, Dr., lists reasons for selling private brand tires, 12/1, p. 28
Marsh, Std. of Ohio, gives paper on Balanced TBA Merchandising; charts, pix, 12/15, p. 25
Ohio Oil 'service store' station uses eye appeal for profitable appliance & TBA sales, 8/25, p. 25
Oil industry has right to TBA profit, says Green, Pres. of Arkansas Indpt. Oil Marketers Assn., 12/15, p. 23
Ploeser Committee witnesses would have oil give up TBA; urge wholesale-retail divorcement, 9/15, p. 15
Predict tight supply during winter for storage batteries, 10/20, p. 5
Price fixing conspiracy brought up in court, 10/20, p. 5
Prices have increased at lesser rate than other commodities, 11/10, p. 7
Public put oil industry into TBA business, 9/8, p. 11
S.S. operators believe they can sell extra low pressure tires, 8/11, p. 5
Survey indicates 47.7% of Legionnaire car owners plan to make TBA purchases soon, 12/8, p. 30
Survey of potential tire replacement market at Sohio stations, 12/15, p. 28
Survey shows 83% of oil jobbers now handle tires; 6 charts, 12/8, p. 25
Survey shows service stations carry many TBA's and motor oils; chart, 12/22, p. 42
TBA men now trying to push sale of regular priced first-line tires, 9/1, p. 5
Tie-in sales of TBA condemned by Nickerson of Socony-Vacuum, 12/15, p. 23, Sturtevant
Tire sales by oil company outlets up 22% in 1947 over 1946, survey by Dr. Warren Leigh shows; chart, 11/17, p. 17
Tire study reflects desire of motorist to buy TBA needs at service station; charts, 12/1, p. 26, Ridder
Warnings about installation of low pressure tires on old cars, 11/3, p. 9

TRAINING
American Soc. of Training Directors holds its 5th annual conference Cleveland 1949, 9/15, p. 55
Dual-purpose sales training film produced by Union Oil, 8/18, p. 9
5 day driver training program features flexibility, 10/27, cover
LP-Gas Assn. plans series of training schools for servicemen; first one set for Pittsburgh, 7/7, p. 22
LP-Gas school sessions set for Denver Feb. 7-9, 12/8, p. 45
100 LP-Gas equipment men attend five-day service safety school, 7/14, p. 42
Pennsylvania State College starts third annual course for motor vehicle maintenance supervisors, 10/6, p. 50
Sales training schools urged to develop more farm business, 12/15, p. 9
Truck driver training program planned for operation at local level, 10/27, p. 31

TRANS-ARABIAN PIPE LINE COMPANY
Board of Directors determined to push TAPline to completion when additional steel is available, 7/28, p. 20
Design capacity increased to 500,000 b/d, 9/8, p. 55
Hull, 'Bert', the man behind TAPline, 9/1, frontispiece
OIT remains quiet on question steel shipments, 11/3, p. 16
Pipe exports may be postponed by administration until after election, 9/8, p. 9
Possible hike in U.S. demand brings Mid-East change, 9/15, p. 7

TRANSPORTATION
Regulation of all forms of transportation may be studied by new Senate, 8/18, p. 5

TRUCKS & TRUCKING
"Buying a truck"—co-ordinate planning & purchasing in adding new tank trucks to fleet, 9/15, p. 29
Buying a truck--purchase procedure followed by one major oil company, 9/15, p. 32
Coastal stresses speedy handling of peak traffic in transport truck terminal, 12/15,p.35, Quayle
Coastal Tank Lines wins top ATA safety honors, 11/3, p. 58
Company tries to reduce time in loading tank trucks, 10/27, p. 5
Efficient order handling and truck dispatching moves greater volume at Consumer Co.; charts, 12/22, p. 21, Sturtevant
11 states require separate pumps, meters for split heating oil, gasoline delivery, 9/29, p. 34
5 trophies to be awarded tank truckers in safety contest; Max Ball to speak at meeting, 9/15, p. 51
For-hire carrier and his place in field of petroleum hauling, API meeting paper by Anderson, Socony-Vacuum, 11/10, p. 57
For-hire, private truckers fight heads for showdown, 10/13, p. 16
Fruehauf Trailer Co. employs tank consultant, 9/15, p. 38
Havens, F.N., says margin of profit or loss can depend on efficient delivery truck routing, 10/6, p. 37
High rate of speed in loading will be attained by utilizing bottom fill, 10/6, p. 9
House Small Bus. Committee thinking about investigating ICC-vets having trouble breaking into trucking, 7/28, p. 5
ICC reports maintenance can reduce truck accidents due to mechanical defects; charts, 10/6, p. 26
July haulage up 5.3% American Trucking Assns. report, 9/29, p. 42
Kentucky tank truck rule calls for shut-off valves, 11/24, p. 13
Large tank trucks safe as small ones, survey shows, 7/21, p. 7
Lenoir Chair case deadline extended to Oct. 4, 9/15, p. 16
Master mobilization plan being drafted by Security Resources Board, 11/3, p. 24
Mid-Hudson cuts truck loading time by 50% with improved terminal, 10/20, p. 34, Quayle

TRUCKS & TRUCKING - Cont'd
Minor, Ollie F. of Shell Oil, gives improvements on trucking, 10/13, p. 19
Nat. Tank Truck Carriers, Inc. explores idea of purchase pool, 10/27, p. 5
NTTC spurs program for development of uniform tariff rules for for-hire carriers, 8/18, p. 18
Oil tank truckers expect to set new records in 1948 (with figures), 7/28, p. 19
Pennsylvania State College begins third annual course for motor vehicle maintenance supervisors, 10/6, p. 50
Plenty of business for commercial carriers seen by oil company men, 10/20, p. 18
Problem of variation in highway regulations between states, 10/6, p. 9
